To Whom It May Concern:

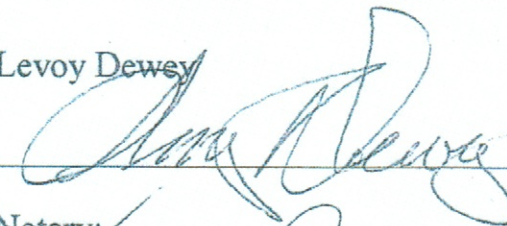

In reference to the litigation concerning Megafund and Gary McDuff I have this to say:

The McDuff Family are long standing friends of mine for more than fifty years. Therefore, I have known Gary most of his life. He played drums for our family when we came to Pasadena back in the late 70's - early 80's. Our common interests were reflected in our casual conversations including the music business and buses.

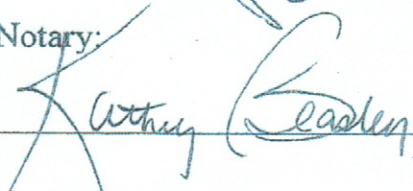

Gary never mentioned Megafund to me. I did not even know he was an investor in Megafund. I do not know or have record of who told my Dad (deceased May, 2006) and me about Megafund.

I regret that I cannot be of more assistance. My prayers continue for Gary McDuff throughout this process.
