

Co-Pastor Barbara Davis

Co-Pastor Davis is a born again spirit-filled awesome woman of God who loves God, her husband, her children, and the ministry, respectively. She is the mother of three lovely children, Angela, Mackie and Willie; also the proud grandmother of seven grandchildren.

Co-Pastor Davis is the founder of “Girl Get Up” Women's Ministry which focuses on the spiritual, emotional, and natural needs of women. It ministers to hurting women by helping them apply the Word of God to every area of their lives.

Minister Davis exemplifies the epitome of the Proverbs 31 woman. Her talents and gifts are varied. In addition to her dedication to the ministry, Co-Pastor operates her own business. One of her most recent accomplishments was the designing of the cover wardrobe worn by Shadrach on the cover of his CD entitled, “I Won't Worry No More”.

Prepare your heart to receive a Word from God.
