

# Caregiver Workshop

**Jacque Urso**

**Ellen Chaney**

*Parkinson Association of Southwest Florida Inc.  
(PASFI)*

Join us as we welcome good friends of the Alzheimer's Support Network Jacque Urso and Ellen Chaney, founders of the Parkinson Association of Southwest Florida Inc. (PASFI). PASFI is a local non-profit agency dedicated to promoting the quality of life for people with Parkinson Disease (PD) and their care partners. Programs are designed to keep the person with Parkinson Disease and their families active and involved. They include movement and balance programs, support groups, educational programs, speech and swallowing classes and social activities. This exceptional organization has been serving Collier County and South West Florida for the past 20 years. If your loved one has Parkinson's, Lewy Bodies, or other movement disorders, we strongly encourage you to come find out what PASFI has to offer.
