(508) 238-6566

Winter Selfie Scavenger Hunt Month of February 2018

The Borderland Selfie Scavenger is back! For the month of February, stop by the visitor center to grab a selfie scavenger hunt brochure or visit: FriendsofBorderland.org to download a brochure today!

In the brochure, there will be 13 photographs taken at Borderland. Your goal is to find as many of these pictures as you can. Once you find the location of each picture, take a selfie at that location. Then share your experience by sharing your selfies on social media using the following hashtags: **#BorderlandAdventure**

This program is sponsored by the Massachusetts Department of Conservation & Recreation. Happy Selfie Adventure!
