

Lake Ontario Post 313

*Veterans of Foreign Wars
of the United States*

On Memorial Day weekend, 2016 the VFW Post 313 of Youngstown, New York will be bringing two Bell UH-1 Iroquois helicopters, better known as the Huey to Old Fort Niagara State Park. This event will not only be an exhibit of these iconic helicopters, but will have the ability to take persons for flights on them. For a Vietnam Veteran this is a very special opportunity. This is a joint event between the American Huey 369 Museum Association from Peru, Indiana and the local VFW Post 313.

Also coming will be an re-enactment group, the "Wolfhounds." They re-enact the 27th Infantry Regiment of the 25th Infantry Division, who served in Vietnam. They will do a re-enactment of an air assault as part of the events at Old Fort Niagara's "Soldiers through the Ages".

Memorial Day Weekend – May 28, 29 2016
