

# Elizabeth Ann Seton Program

May 8, 2019

Dear Elizabeth Ann Seton Program Supporter,

Are you an individual or small business looking for ways to give back to the community and receive benefits in return? Read no further..!

On behalf of the organization, Executive Director, our Board of Directors, and all the mothers and children you have continued to support over the years, we are grateful for your ongoing financial and prayerful support. We hope your summer is off to a warm and happy start! As you start planning trips, ball games, and other fun summer activities, we hope you'll consider helping EAS plan as well. We *need your help*. We are becoming **Stronger** and many exciting initiatives are underway.

- Soon, EAS will have a new identity – Stay tuned!
- We are narrowing our focus to have a stronger impact on our community. Our core services include the Baby Box program, Parenting Classes, and monthly group meetings (Mom2Mom).
- Fresh SMART goals are being set by the organization and our clients as we become **Stronger**.
- Our Board of Directors are busy planning lots of fun social events for our supporters!

What this means, though, is that we could use a little extra help. As we grow and become stronger, we realize we need to get creative with our revenue streams. The following sponsorships are available, and we'd love to partner with you.

## For individuals:

- **Baby Box sponsor:** \$2,000 will provide hundreds of baby boxes to homeless mothers we serve.
- **Mom2Mom sponsor:** \$1,500 will allow us to hold 12 monthly group meetings to foster the sharing of best practices and learnings from peer mentors.
- **Strong Mom sponsor:** \$750 will allow us to continue our partnerships with local agencies and to provide the *Nurturing Parent* curriculum to our clients, based on their individual needs.

What's in it for you? By becoming a sponsor, you will receive public name recognition if you wish and you'll have the ability to claim a personal impact on the lives of poverty-stricken women in our community as you watch them achieve their goals.

## For businesses:

- **Weekly sponsor:** For \$75 a week, EAS will promote your business name and events each week to thousands of EAS supporters over social media.
- **Monthly sponsor:** For \$250 a month, EAS will promote your business name and events four times a month to thousands of EAS supporters over social media.

**For businesses OR individuals- Annual Sustaining sponsor:** For \$2,500 a year, EAS will promote your name, events, social media posts, etc. all year long to thousands of EAS supporters over social media and in our newsletters. You earn 2 tickets to each event.

Both options are available for individuals and businesses. We hope by partnering with you via sponsorships and using social media, we grow your network and ours. Please call 217-757-6025 to get started!

If interested in becoming a sponsor or a one-time donor, [donations can be made online](#), via check, or in our office. We'd love to meet and discuss potential partnerships with you. We are grateful for your consideration, support, and prayers.

Happy Summer,

EAS Board of Directors, Executive Director, Volunteers, and Clients.
