We invite you to join us this day as we take the opportunity to thank the veterans and current military personnel of our country for their faithful service to the people of the United States.

Veterans, current military personnel, and their spouses and family members are invited to a light breakfast to be served in the commons area of the Clark Street campus at 8:00 AM. If you are able to attend this breakfast, please RSVP to Mrs. Laura Kiecker, school secretary, at 920-261-3615 or email her at lkiecker@tslwels.org. If possible, we ask you do so by Wednesday, November 10, although you are welcome to attend even if you haven't contacted us.

A special program will be presented by the students of Trinity-St. Luke's Lutheran School at 9:15 AM in the St. Luke's Church that morning. The program will include music performed by the students. Our special speaker for the program will be Scott Fitzgerald, US House Representative for Wisconsin's 5th District. It is important that we take time as a school to teach our students to remember what the past and current members of our nation's armed forces have done for our country.

Whether you can join us on November 12 or not, we pray the Lord's continued blessings on our veterans, military personnel and their families.

May God bless America!

By the grace and help of our Lord, the students and families of Trinity-St. Luke's Lutheran School will grow in faith through God's Word and shine forth to all with the truth that Jesus Christ is our Savior.
