

GSFL

Student and Emerging Scholars' Day

Friday 26th of August 2016 in Mainz, Germany

Final Timetable

Purpose of Day

In response to the positive feedback we received from last year's Emerging Scholars' Day, this is the third time that this special event will take place before the main GSFL Roundtable.

The events scheduled for this day have been designed for undergraduate and graduate students as well as academics and practitioners who are relatively new to the fields of Forensic Linguistics and Forensic Phonetics.

The 2016 schedule will cover a range of topics that GSFL attendees and members expressly requested last year. We hope the 2016 schedule will make for an educational and interesting day for both old and new attendees!

If you have any questions, comments, or concerns, please contact GSFL Student Liaisons Gaby Axer and Grace Sullivan at Studentliaison.GSFL@gmail.com
