Date

Please send the completed form, along with a \$50.00 deposit (make checks payable to **Brilliant Beginnings**), to: Brilliant Beginnings Learning Center, 380 Marker Road, Versailles, OH 45380. We will send a notification when we have received your form; the deposit is refundable if the program is full.

Brilliant Beginnings Learning Center is an equal opportunity provider. Scholarships may be available to those with financial hardships.

2016 Summer Adventures—Weekly Themes

Come “Grow” with Me (June 6th-10th)

Join us for a fun-filled week where we learn about growing plants, and the many different types of farming. Campers will plant flowers and discover how important agriculture is to our area. To top it off, we will be visiting Fulton Farms in Troy and even pick our own strawberries.

There’s no “I” in TEAM (June 13th-17th)

Teamwork is vital to being a successful and happy person in our world. Kids will each get turns being a group leader, compete in tasks where they must communicate with each other, and even go bowling as teams at the end of the week.

Brilliant’s Amazing Race (June 20th-24th)

Travel with us on a race around Versailles. Campers will make passports and travel through town attempting to fill their books with stamps from all over. We will make up roadblocks for extra challenge and try to win the award! We will even get to make our own obstacle course.

Rainforest Adventure (June 27th-July 1st)

Life is abundant in a rainforest! Come along and learn about all the interesting plants and animals. Learn about animals’ different tracks and try some exotic foods. Best of all, campers will get to visit the Cincinnati Zoo and Botanical Gardens!

Stars and Stripes (July 5th-8th)

In honor of our nation’s birthday, we will research the history of the flag, and even make up our own flags! Campers will discover what it would have been like digging for gold in our “gold rush.” Lastly, we will have a cookout and picnic, complete with many of America’s favorite summer foods.

Be a Survivor (July 11th-15th)

Do you have what it takes to be a Survivor? This week we will discuss willpower and determination and how you can use that to what may seem impossible. Campers will create a reality show and video tape it, as well as solving puzzles and completing challenges. To help cool off at the end of the week, we will travel to a Splash Park and enjoy a fun afternoon!

Greek Greatness (July 18th-22nd)

The Olympics have a long and interesting history. For this week, campers will have the opportunity to learn about the culture, making ancient tools and discovering the legends of the gods and goddesses. We will enjoy a break from the routine and visit the movie theater early this week!

Medals and Metals (July 25th-29th)

Medals are an amazing award given to the top three Olympians in each event. What are metals and how do we determine their value? Campers will explore the science behind metals, minerals and rocks. Finally, we will take a nature hike to see what we can identify.

Fun and Fitness (August 1st-5th)

Being physically fit is so important to having a healthy body and mind. This week campers have a load of fun while learning different ways to be fit. Kids will discover the importance of stretching and learn some line dancing. Of course, later in the week, we will have some fun while exercising at Jumpy’s in Troy.

Food for all Families (August 8th-12th)

This week we will take a closer look at the differences in food from all around the world. We will discuss how many places have food shortages, even those close to us. We will visit an area food pantry, and enjoy checking out how a local restaurant operates. Campers will also get to have a cook off competition, where they can get creative!

Crossing the Finish Line (August 15th-19th)

Not giving up and giving 100% is essential for anyone trying to do their best. Campers will get to learn how people succeed, and how they can do this in their lives. We will create our own cars and visit Eldora Speedway to see where champions race to be their best. Campers will see that doing your best is enough!

Be Your Own Champion (August 22nd-26th)

To finish out our summer, we will discover the talents that each camper has, and why being original is great! This week will comprise of doing what we love and sharing it with others. To finish out our summer, we will spend a day at the Great Darke County Fair and see others’ talents (and maybe some of our own)!
