A Note from Rick: I feel like a broken record. The market is down again and there is still no relief in sight. The poorer quality "stuff" in all phases of the market is cheap, cheap, cheap. We had a busy alternative sale and were selling past midnight last Friday. We had a lot of fun and learned a lot. We are setting our sights now to the upcoming horse sales. I'm expecting the Driving Horse Auction to run smoothly since we have one under our belts. The catalog is out for the Draft Horse Sale and there are a lot of impressive horses consigned. We are working on reorganizing some areas outside of the sale arena to try to ease the crowdedness and keep the focus on the horses being sold. Ideas are always welcome. See you at TLA!
