

Keystone TAP Tournament Qualifications and Formats

8 Ball – Effective Jan. 2010

Qualifications

If you qualify for titleholders, your team automatically receives a spot in the Keystone Klassic (our National Team Qualifier). If your team does not play in the titleholders you forfeit your Titleholder and Keystone Klassic spot. No teams will be moved up to fill spots for the Titleholders/Keystone Klassic spots.

You must have played 6 matches, per player, each session to qualify to play in the Titleholders, Klassic and the National event. You must have 10 lifetime matches to play in the National event. You must be active and on a roster for the Keystone Klassic and the National events. This includes Rally in the Valley. The Keystone Klassic and the National events require you to also be in 2 of the 3 sessions. Additional details are available under the National rules.

Your team must be paid in full for weekly dues and all memberships must be current, in order to participate in events. If they are not, you will NOT be able to participate.

In Titleholders, we have 2 boards. **The Platinum Elite and the Golden Championship.**

Titleholders is a Round Robin event, with Top 8 Teams advancing, single elimination. Top 4 being paid.

Keystone Klassic is Single Elimination. Teams with multiply qualifying spots will be separated by session earned. Teams may decide how many of their spots they want to try. You do not have to take all spots earned.

Number of teams in each division determines # of teams qualified to go to the Titleholders and Keystone Klassic.

4-6 Teams	1st Place to Platinum Elite, 2nd and 3rd to Golden Championship
7-8 Teams	1st and 2nd Place Platinum Elite, 3rd and 4th Golden Championship

14 Teams	1st, 2nd, 3rd, 4th & 5th Place Platinum Elite, 6th, 7th, 8th, 9th & 10 th Golden Championship.

Handicaps

For all Keystone TAP tournaments, whatever your handicap is 2 weeks before an event is what you will play as at that event.

Registration/Fees – Due Dates

All rosters and brackets are posted prior to the event on the Keystone TAP Website, under that event page. All registration fees and forms are due 2 weeks before the event. NO EXCEPTIONS ARE MADE.

1st Place teams pay \$40.00 as a team registration fee, all other teams pay \$80.00 per team registration fees for the titleholders. Keystone Klassic teams pay \$50.00 per spot. Teams with multiple spots pay \$50.00 for each one.

Hotel / Diamond Table Event

Titleholders and Keystone Klassic are played on Diamond Tables and are hotel events. Hotel has a room rate negotiated for the event. All teams must reserve rooms under the room block, to insure the continuation of a hotel event. Teams that do not reserve under the room block will be disqualified from the event.

Drawing of Brackets

Brackets and Boards are drawn by the tournament and league directors, at a planning meeting, two weeks before the event. Once the brackets are drawn and posted, no changes will be made. If a team does not show up, and creates a bye in the tournament/s, that team maybe removed from Keystone TAP.

All updates, rosters, brackets, deadline and information are posted on the website.

Prize Schedule – 8 Ball Titleholders

Payouts for the Platinum Elite Board are projected to be the following*...

1st Place - \$4,000
2nd Place - \$2,000
3rd Place - \$1,000
4th Place - \$1,000

Payouts for the Golden Championship Board are projected to be the following*...

1st Place - \$2,000
2nd Place - \$1,000
3rd Place - \$500
4th Place - \$500

* Again, this is a projection based upon each leagues team counts. If team counts are not what is projected, these amounts will be changed. Prize schedule is reflective of the team count. More teams, more payout. Less teams, less payout. This is ever changing. I do reserve the right to adjust the prize pool at any time.

Prize Schedule – Keystone Klassic

When becoming the winner of the Keystone Klassic, you are now the winners of the National Trip for that year, for Keystone TAP.

Keystone TAP pays for each teams entry fee, travel and rooms at the National event. For every 18-20 teams we have, one team goes to Nationals. Arrangements are made to stay within this per diem. A budget is maintained. All teams and players, get the same trip.
