

# EMPLOYEE OF THE MONTH

## Jenny Stegall

### September 2014

#### AMP 003 – Bluebell Tower

Jenny Stegall is the September 2014 Employee of the Month! Jenny, who leads the KCHA Safety Committee, has worked very hard to develop snow removal procedures in conjunction with the mission and values of the agency. The project is near completion, and wouldn't be without Jenny's leadership. Additionally, on 09/23/2014 Jenny attended a seminar on Disaster Preparedness, gaining vital information to position this agency appropriately in the event disaster strikes. Thank you, Jenny, for all you do to make the Knox County Housing Authority a safe and AMAZING place!
