Teaching

Note 1: In spring 2022 Hatzenpichler is taking FMLA leave from classroom teaching.
Note 2: In spring 2019 MSU switched to a different evaluation system. Because of that, evaluations before and after spring 2019 cannot be directly compared. This switch also explains why values before spring 2019 are rounded to two digits behind comma, while after spring 2019 only one digit behind comma is given.
