On Tuesday, November 16, 2021 the board met (virtually) to discuss approval of electrical work at the dock gazebo. All members logged on as present. The board received a few quotes for the work. Our contract with Waccamaw requires any vendors working in Pelican Bay to be licensed and insured and the board agrees with this stipulation. After discussion, a motion was made to open a meeting (AJ) and seconded (Matt) for the purposes of voting to accept a bid from AJs Electrical Service. **NO RELATION TO THE CURRENT BOARD MEMBER.** All board members voted in favor of accepting the bid from the vendor.

A motion was made (AJ) and seconded (Matt) to close the meeting with no further business. Meeting adjourned on November 16, 2021 at 7:06 p.m.
