Encouragement is found in fellowship. Going to church isn't a requirement for being a Christian, but Christians do need each other. "Let us consider how to provoke one another to love and good deeds, not neglecting to meet together,...but encourage one another" (Hebrews 10:24-25). *Worshiping together is one of many ways to stay connected. Other ways include volunteering to be part of a ministry team; praying together; and joining a Bible study group. Whatever you do, just remember that God wants you to stay connected.*

4th Sunday Area Singing

The Murphy congregation will not be hosting this month.

We pray that the pandemic will be a thing of the past and we can resume area singing starting in February 2021.

- Please continue to send cards to Wayne and Nell with words of encouragement. Because of the seriousness of his condition please contact Nell if you want to visit. He is under hospice care.

REACH, Inc. – Community Project

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. **Please do not forget them when you are out shopping.** If you have items of clothing, children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9"X9". Put them on the table in the pantry and we will fill them as time permits. **Please contact the Thrift Store if you have furniture you want to donate and arrange pickup.**

If you would like to donate on a recurrent basis, please fill out the card on the back table. You can take the card directly by the office or give it to Lula to take for you.

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

September 22nd marked the beginning of autumn and soon we

will be changing our clocks (fall back). Visitors have started to arrive to look at the leaves change color. Enjoy the beauty of God's handy work!

Daylight savings ends November 1st. I never could figure out how you save daylight. 24-hours is still 24 hours. The earth just rotates shifting its position around the sun, so we get changes in the season.

Can you believe it, there are Christmas decorations in the stores?

Toys for Tots

We started collecting this month for the 2020 holidays. Place **NEW UNWRAPPED** toys in the box in the foyer. Volunteers are needed for collection days at local businesses. Please check out the flyer on the back table for dates and contact information.

Application information for families will be posted in the Cherokee Scout newspaper regarding distribution.

You are awesome! So far Lula has taken 2 bags of toys to the drop off location – Eller and Owens furniture warehouse in Murphy. Keep up the good work!

Kitchen Repairs

Repairs for water damage in the fellowship room and bathrooms is in the final stages. Check out the new flooring and fresh coat of paint. Thanks to everyone who is helping to finalize the repairs and the painting.

Pantry Items

We need your help to restock our pantry. If no family or individual has made a special request; then, at the end of each month Lula pull items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen a three-fold increase in need during the COVID-19 pandemic and increase in unemployment. NOTE: **We give out food only if someone is here when an individual comes to the church or special arrangements have been made to meet someone.**

The food bank is open to the public on Tuesdays and Saturdays
