# Important Information

The Bungalow, Dulley Avenue, Wellingborough, NN8 2PS 01933 279266

warwickplayschool@warwickprimary.net or warwickplayschool@hotmail.co.uk

www.warwickplayschool.co.uk

At Warwick Community Playschool, we aim to provide a fun, safe and secure environment for children to learn. We also welcome families to become a part of the learning community.

Our core values, beliefs and aims are:

★ To support children to have independent minds and to be confident in their own skins.

Ť Ť

\*

**\*\*\*\*** 

\*

\*\*\*

\*

- ★ To enable children to be positive, happy and enthusiastic.
- ★ To provide opportunities for children to 'have a go', to be inquisitive about their world and to be involved in their time in the playschool.
- ★ To encourage children to show independence in their care and build the foundations for a healthy future.

 $\bigstar$  To ensure that children feel loved, welcomed and accepted within our setting.

**★** To give children the opportunity to be free to be children and enjoy the excitement of childhood.

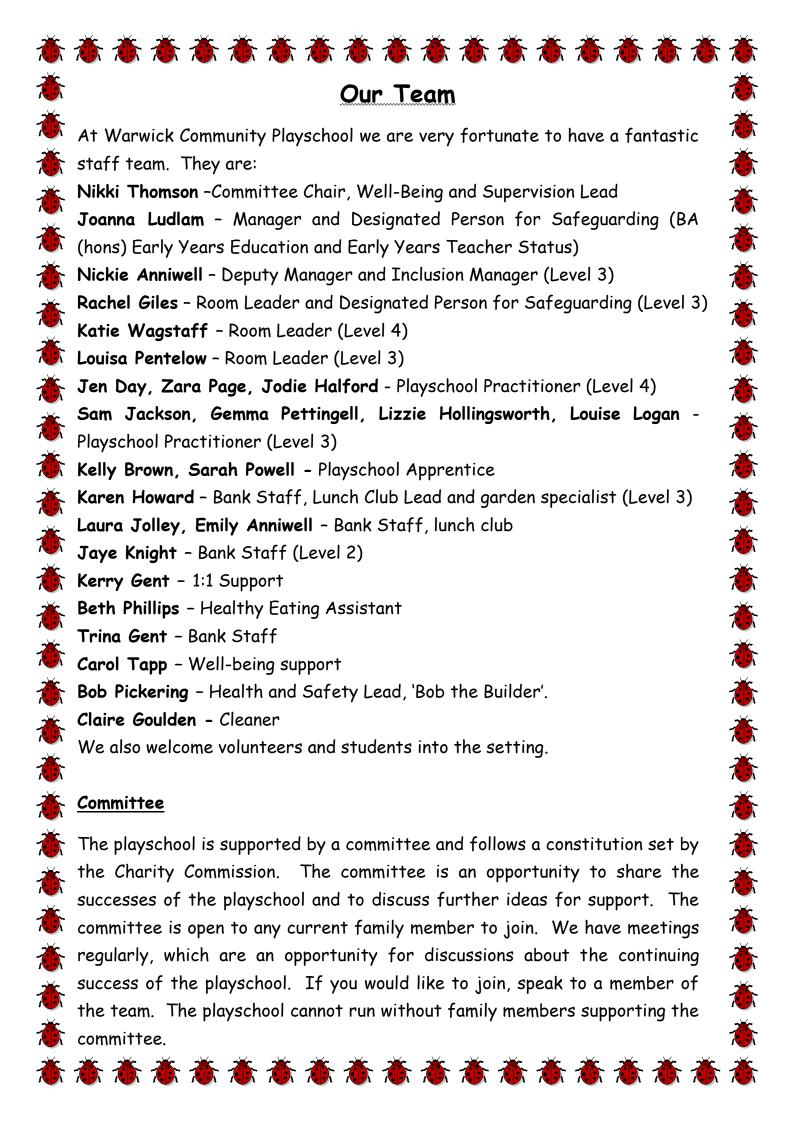

We also hold the Protective Behaviours core principles in very high regard.

They are:

We encourage children to explore learning first hand. This involves getting messy and taking risks.

**\*\*\*\*\*\*\*\*\*\*\***\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

Before your child starts with us, there is some important information about preparing for those first few sessions.

#### <u>Uniform</u>

There is a playschool uniform available to order, however this is not compulsory. We offer a uniform so that children are free to get messy without damaging other clothes. Our uniform will be available from Tesco. http://www.tesco.com/direct/warwick-communityplayschool/11878.school We also use My Nametags for labels. The link is www.MyNametags.com using the school ID 49959.

As a part of our health and safety policy we ask that children do not wear Crocs or flip flops and hooped/dangling earnings.

# **What to bring**

We ask that children come to the playschool dressed appropriately for the weather. We encourage exploration which means that the children get messy! We will try our best to let you know if your child has been changed, why this is. It would be really useful if you could provide and name:

- Spare clothes (including underwear and shoes)
- Wellington boots
- A coat
- Hat, scarf and gloves in the winter
- Sun hat and sun

cream in the summer

 Nappies and wipes (if your child needs) them)

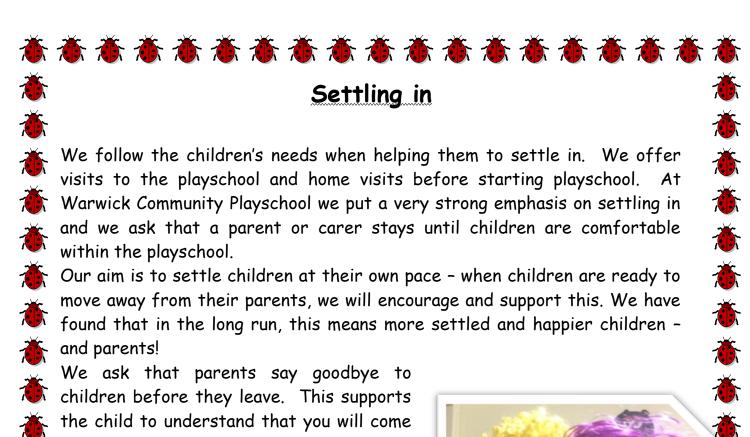

**潘香香香香香香香香香** 

\*\*\*

\*\*\*\*

- Comforter (if your child needs one) We ask that children do not bring toys from home because we wouldn't want them to get lost or broken.
  - Your child will have their own peg if you would like to leave things at playschool.

Our aim is to settle children at their own pace - when children are ready to move away from their parents, we will encourage and support this. We have found that in the long run, this means more settled and happier children and parents!

We ask that parents say goodbye to children before they leave. This supports the child to understand that you will come back, rather than the panic that can arise if their special person has left them. Children may cry when you return, this is a normal display of emotion; they are pleased to see you!

Our aim is to build up strong attachments and for children to trust us during their time with us. We want their time at playschool to be happy ©

We want to be sure that each child feels

confident about being at playschool and being looked after by her or his key person. We also want you to be confident and happy about leaving your child with us.

We will ask you to complete a registration form and All About Me so that we know all about your child.

Further information is available in our policy, if you would like a copy of this, please ask a member of staff.

For a child to stay on a full session they must:

- ★ Be happy and confident with saying goodbye to you
- ★ Happy to stay with a member of our team

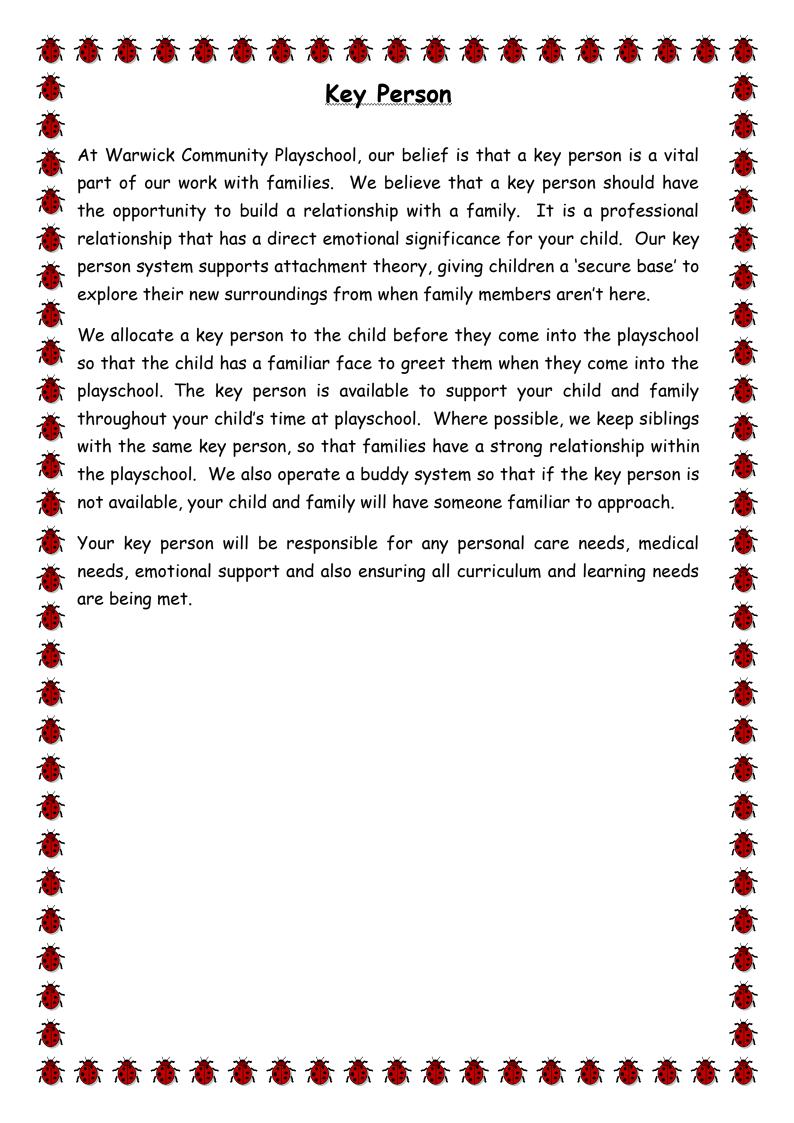

★ If they are toilet trained, they must be confident to ask or take themselves to the toilet or happy to let their key person change them.

**高春春春春春春春春春春春春春春春** 

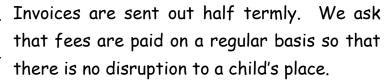

Our team will help you gauge when your child is ready for this.

香香香香香香

Fees are paid for all sessions that your child is booked into. Days off sick and time taken off during term time for holidays are still charged for. The playschool will not charge for any days that it closes.

Fees can be paid either by childcare vouchers (please speak to the manager in advance about this) or in cash.

#### Schedule of Fees 2018/2019

#### Schedule of fees

Hourly Rate  $\pounds$  4.00 Sessional Fee  $\pounds$  12.00

Lunch Club (with lunch from home) £2.00 (availability dependent)

Lunch club (with lunch provided) £3.00 (availability dependent, must be paid in advance

Lunch and one session £14.00 (availability dependent)

Other charges:

Early arrival/late collection fee of £3.50 per additional 15 minutes.

Late payment charge: we charge 5% late fee for any overdue fees owing at the end of each week.

Bills must be paid for by the invoice date. If there are any concerns with this, please speak to a member of the management team. The playschool will do their best to support with payment plans. However, any unpaid bills after 2 weeks (that have not been discussed with the management team) will have any paid sessions suspended. If the bill remains unpaid after 4 weeks, all sessions may be suspended and a debt collection agency will be employed.

#### **Funding**

All children are funded by the Government a term after their third birthday and are entitled to 15 hours a week funded childcare. We also offer two year funded places and will need an eligibility code. There is an eligibility checker on the Northamptonshire County Council two year funding page.

We also offer the 30 hours funding which will require proof of eligibility.

There is also a lunch club which is charged for in advance.

Further information can be found at:

http://www3.northamptonshire.gov.uk/councilservices/children-families-education/early-years/Pages/free-childcare.aspx

The playschool is split into three age groups. The Butterfly Room opens in September 2018 and offers care for children aged 18 months (approximately) to two years. The Ladybirds are children aged 2 to 3 years 11 months. The Sunflowers are children aged 3 to 4 years 11 months. We aim to follow the school year so that children remain with their peers throughout their learning journey. Each room is free flow, so that children can move around the different areas of their learning environment. The children also have opportunities to mix between age groups.

We offer two sessions. The morning session runs from 8.50am until 11.50am and the afternoon session runs from 12.40pm until 3.40pm. All rooms have their own routines based on the children's needs and to ensure the children have access to the full curriculum. The routines include group time, free play, snack time and tidy up time.

We offer the 30 hours funding to our children who are over 3 (places dependent). The children will be asked to bring a packed lunch or we can provide a lunch at an additional cost during their full days. We also have the opportunity for children to sleep if they are tired.

#### **Snack**

At Warwick Community Playschool, we offer a healthy snack of fruit or

vegetable sticks as well as another option, such as

\*\*\*

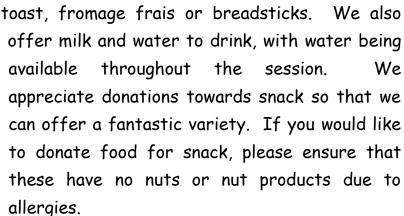

香香香香香香香香

\*\*\*

\*

\*

**\*\*\*\*\*\*\***\*

The children help us to prepare snack and staff are available to encourage discussion about being healthy during snack time. This is an important part of our curriculum.

**商商商商商商商商商商商商商商** 

#### \* Attendance

In line with the requirement of the Early Years Funding guidelines, we ask that any absence is reported to the playschool, this includes a reason for the absence. We will telephone parents if a child has been absent for two or more days without contacting the playschool. We also have the WARWICKCOMMUNITY app. This has an absence reporting function on it.

**\*\*\*\***

### Collection

為為為為為為

We ask that family members fill out the collection section of the registration form in as much detail as possible. Children can only be collected by people over 16 years old. Staff will let children leave with a familiar adult if we know that they are collecting and have the family password. If we have any concerns, then a member of the team will contact you. Please could you tell us if there are any changes to your collection pattern so that we can ensure your child is safe.

We are very strict with our collection policy therefore it is important for your child's safety that you inform staff if anyone other than yourself is going to collect your child. That person must have the password.

Please contact the playschool if you are going to be late collecting. If you are late collecting your child, we reserve the right to charge a late collection fee. This is at the discretion of the management team.

We strongly believe that children learn best through play and first hand experiences. Our environment is set up to ensure that children have the opportunity to explore their interests and that adults are available to promote learning through interactions with the children.

We follow the Early Years Foundation Stage (EYFS) Curriculum. The EYFS is the foundation for future learning. The areas of learning are split into prime and specific areas. These prime areas are those most essential for your child's healthy

**着卷卷卷卷卷卷卷** 

\*\*

\*\*\*

**\*** 

**\*\*\*\*\*\*\*\*\*** 

development and future learning. The areas of learning are:

#### Prime

Personal, Social and Emotional Development

Communication and Language

Physical Development

# Specific

Mathematics

Understanding of the World

Literacy

Expressive Arts and Design.

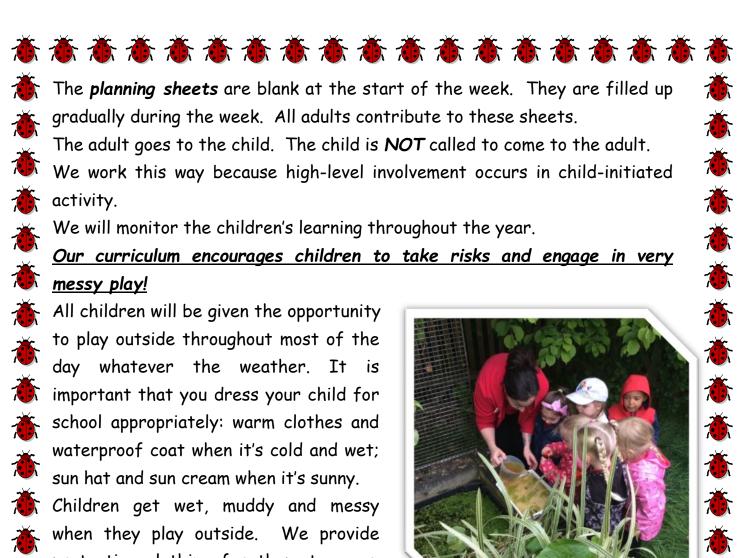

As a team, we observe children on a regular basis and monitor their progress. This is completed by using online software known as 'Blossom'. We are able to take photos and add comments about children. Family members also have access to this and can share photos and comments with us.

#### We have focus children...NOT focus activities

As parents and carers, you will be asked to join us on 'Family Friday' to discuss your child when they are the focus for the week.

The cycle of observation, assessment, planning is carried out on a momentby-moment basis. We aim to have approximately 2-4 named 'focus' children per session each week in each room.

**高高高高高高高高高高高高高高高** 

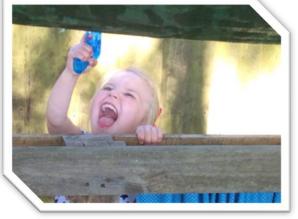

protective clothing for them to wear, including wellington boots, although you can provide these things for your child if you

wish. We teach children how to minimise how messy they get and they do get better at this as they get older, but it's part of their learning and development - you can't expect them not to get messed up playing in mud.

We will not compromise on allowing children to play outdoors as we believe it to be an essential component of young children's learning and development.

Children must be allowed to experience the world around them in a full, messy, muddy, wet environment if they are to make useful meaning of it.

Getting wet does not cause us to catch a cold. If the cold virus is around, we will pick it up regardless of whether we are wet or dry.

香香

# **Toileting**

At Warwick Community Playschool we have the facilities to support children at all stages of toileting. We ask that the key person is aware of any preferences or routines for your child. The key person or buddy will support your child with their toileting needs. Sometimes children have accidents, even if they are fully toilet trained. Please could children bring spare clothes just in case. We do have some spare clothes if your child does need them, we ask that they are washed and returned back to us. We encourage the children to be independent in their own self care needs when it is developmentally appropriate for them.

**\*\*\*\*\*** 

香香香香香香

Ť

\*

**\*\*\*\*\*** 

#### Accidents

Children in the early years are naturally inquisitive which sometimes means a bump or bruise. There are always first aiders on site to ensure children are well cared for if there is an accident. We will ask the person who collects to sign an accident form, or for any serious accidents we will contact a parent immediately. We also log any accidents that may have happened outside of the setting on 'pre-exisiting injury' forms. Please do not worry if the team ask you questions about an injury, it is policy to do this for every child.

# Behaviour

Warwick Community Playschool has a behaviour policy in place. We aim to support each individual's right to learn and to celebrate successes. We work with children to understand their feelings and ways to manage behaviour.

The playschool promotes a culture of equality and does not tolerate any form of discrimination or bullying

We ask that anyone entering the playschool uses language that is appropriate for an early years setting.

The setting has a code of conduct which is provided in each family pack and is displayed throughout the playschool. We expect all visitors, family members and staff to abide by this. This creates a supportive atmosphere for the children where they can feel safe and respected.

Our medicine policy sets out guidance for playschool staff to give children who are in our care medication. We will only administer prescribed medicine that has the child's name on, is in the original container and is in date. We ask that if you child has not had the prescribed medication before; they remain at home until they have taken it for 48 hours. We ask family members to sign for medication in the medicine book. We may also ask family members to complete an Individual Care Plan. We may only administer Calpol or other such pain relief if it has been prescribed or if your child's temperature becomes too high.

\*

\*\*\*\*\*\*\*\*\*\*\*

\*

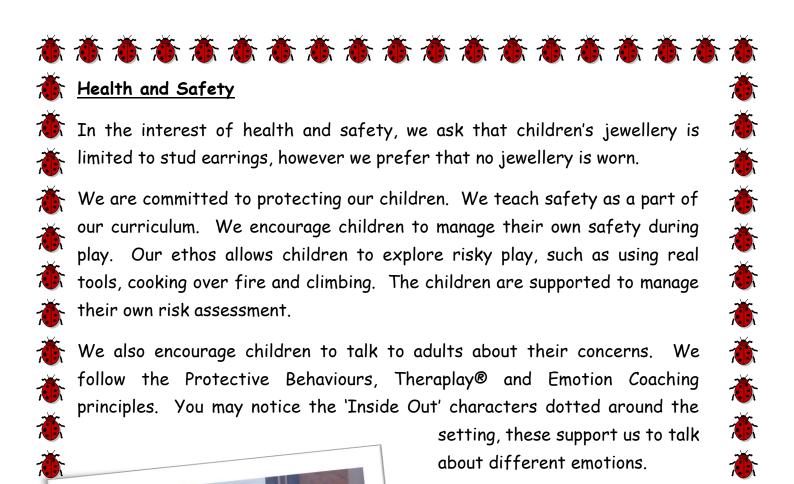

# Illness

If a child falls ill in our care, we will contact a family member to come and collect them. After episodes of sickness and diarrhoea, we ask that your child is kept at home for 48 hours after the final episode. We have a copy of the Infection Control in Schools and Other Childcare Settings in the office, which we refer to for exclusion periods on diagnosed illnesses. We reserve the right to refuse entrance to the playschool to a child who we feel is not well enough to attend the session. Our current policy states the following exclusion times for common treatments and illnesses:

Illness/Treatment	Exclusion Time
Antibiotics	First 48 hours at home (in case of an allergic
	reaction)
Eye drops	First 48 hours at home (in case of an allergic
	reaction)
Injections	First 24 hours at home (in case of an allergic
	reaction)
MMR	First 48 hours at home (in case of an allergic
	reaction)
Diarrhoea and vomiting	Children must be kept at home during the episode
	and can return to playschool 48 hours after the last
	episode.
Temperature	If a child is sent home ill, the child must be kept at
,	home for 24 hours.

We reserve the right to refuse entry to any child we feel is not well enough to be in the setting.

**高高高高高高高高高高高高高高高** 

We also encourage children to talk to adults about their concerns. We follow the Protective Behaviours, Theraplay® and Emotion Coaching principles. You may notice the 'Inside Out' characters dotted around the

their own risk assessment.

setting, these support us to talk about different emotions.

Ť

香香香香

香香香香香香

\*\*\*

On occasions, where there are concerns for a child's welfare, we may need to consult with Ιf outside agencies. concerns arise, we will work with the family to support them through this process. We will endeavour to inform a family of this decision face to face. The

staff are here to support all family members. We follow the guidance from the Northants Safeguarding Children's Board.

In line with our safeguarding policy, we ask that mobile phones are not used within the setting.

Warwick Community Playschool operates a strict no smoking policy within the grounds and building.

When dropping off and collecting children, please do not walk under the car park barrier. We also ask that if you drive to the playschool, that you respect the people who live near to us by not blocking their driveways.

Families are a child's most important educator; this is a statement that we hold at the heart of our practice.

# Planning and observation

Our planning cycle involves input from family members. We will ask you to either come in on Family Friday or complete a form for us to use as a part of our focus week on your child. You will be asked about what is happening at home, anything exciting that is coming up and have an opportunity to discuss any questions you may have about learning.

We also ask that you share observations from home on Blossom. You can download the "Blossom Parents" app. This gives you access to your child's learning journey. To access this, please provide the team with the email address you would like to have linked to the account. You can have more than one family member signed up.

There is a star or wow area for families to share achievements with the playschool team so that we can share in your celebrations.

# Family Friday

Every Friday in playschool will be Family Friday. During this session, there will be times for you to come in and play, share a book, talk to staff, look at your child's learning journey and share in our Lending Library. This will also play a key part in our planning.

\*

**\*\*\*\***\*\*

\*

\*

# Keeping in touch with playschool

We currently use Facebook (<a href="https://www.facebook.com/warwickplayschool">www.facebook.com/warwickplayschool</a>), our website (<a href="https://www.warwickplayschool.co.uk">www.warwickplayschool.co.uk</a>) and our WARWICKCOMMUNITY app (downloadable from the app store) to stay in touch on the internet. We also use notice boards and put messages on room doors.

\*\*\*\*

As a part of your welcome pack, you will be asked to fill out a consent form that gives us consent to take your child on local trips. These may include a walk to the shop, exploring the school site, a trip to the pond or a walk in the environment.

If we are going any further afield, we will send out separate consent forms. Our usual trip is in July to West Lodge Rural Centre. The Ladybirds spend the day exploring the farm and The Sunflowers spend their day at Forest School.

We enrich our curriculum with visits into the setting from people with different animals, different skills (eg baking) and different occupations. We have had visits from the fire brigade and the police to talk about how we keep safe.

為為為為為為為為為

**高高高高高高高高高高高高高高高高高** 

If, at any point, you have any concerns or complaints about anything related to the playschool, please contact the playschool manager, Jo, who will support you to be heard and reach a manageable outcome. Our policy is on our website.

查

**添 添** 

\*

**\*\*\*\*\*\*\*\*\*\*** 

Equally, we really enjoy hearing compliments and celebrations about our setting and the team. These can be shared on our Facebook page, parent questionnaires and on our family boards.

We also have comments and suggestion boxes in each room. This may be for activities, resources...anything that you feel would benefit our setting.

We look forward to welcoming you into our setting and we hope that this information is useful. If you have any further questions, please do not hesitate to contact the playschool team.
