

Beatitudes Green Team

YES! I would like to be part of Beatitudes Green Team to help our school become more 'Green' while raising money for children battling childhood diseases. I understand that I am to participate weekly by helping gather and sort all the recyclables on campus. Each class will have their own Recycle Bin. Once sorted, the cans and bottles will then be taken to a recycle center and turned in for cash by our parents. The money will be placed into an account and donated to one of the local Children's Hospitals at the end of our school year. PLEASE BE AWARE, this is a dirty and stinky job so make sure you want to say "YES!"

We look forward to working together to make this Club a success!

Please fill out the application below and have your parents read and sign the bottom portion and return it to the School Office by Friday, September 7.

Thank you again!

Dear Parent,

Your child has shown interest in being a part of our Green Team. This club meets once a week at the end of their Friday lunch period for approximately 15 minutes to sort the recyclables found on campus. Parent Volunteers are also needed to help take the recyclables to recycle center once a week on a rotational basis. If you would also like to help out and receive Service Hours, please fill out the information below and sign and return the form by September 7.

Thank you,

Yes, I am allowing my child to be part of Beatitudes Green Team
