BOMAN FINE ARTS CENTER
225 John K Hanson Drive, Forest City, Iowa

This fast paced, half-day training educates key stakeholders about short and long-term workforce shifts in the economy from an economic development perspective; offers a variety of replicable programs and resources emerging across the United States to address these changes and guides peer and professional round-table interaction to create actionable business decisions in support of workforce development.

Gain a deeper understanding of economic shifts which have impacted workers and companies since 2000.

Forecast how these economic changes will impact workforce availability, readiness and training between now and 2030 and between 2030 and 2050.

Affirm key short-term workforce challenges in North Central Iowa and connect some with solutions implemented in other parts of the country.
