BUDGET MESSAGE

To the Citizens of the Town of Sorrento,

Enclosed is the 2023 operating budget for the Town of Sorrento. The purpose of the budget message is to identify objectives for the coming year, as well as the underlying assumptions made in the projection of the revenues and related expenditures of the operations of the Town.

The budget is prepared using the modified accrual basis of accounting and is presented on a “line item” basis with each item of revenue and expenditure being identified for your review. The budget has been prepared to maintain all funds with positive balances as of June 30, 2023, the definition of a balanced budget.

The summary on pages 4 and 5 shows that expenditures and financing uses for all funds of \$1,363,300 will be funded with budgeted revenues and other financing sources of \$1,328,700. The projected deficit of \$34,600 includes road and drainage system maintenance of \$50,000, capital outlay expenditures of \$30,000 and depreciation expense recognized on the Town’s sewer system of \$85,000. The projected deficit will be funded using accumulated fund balances of prior years.

Overview and Capital Project Highlights

Revenues

Local revenues from sales and use taxes represent about 57% of the total projected 2023 revenues. Projected sales tax revenues are budgeted to decrease by 10% when compared to projected 2022 sales tax revenues. Interfund transfers in 2023 include \$26,200 from the Restricted Fund and Utilities Fund to the General Fund to assist with personnel costs.

Expenditures

Total expenditures are budgeted to decrease by approximately \$263,750. Of this amount, \$110,000 is related to a decrease in engineering cost related to the potential expansion of the Town's sewer system and an increase in policing contract which Ascension Parish Sheriff's Office of \$25,000. Additionally, highway and streets expenditures are projected to decrease by \$107,300, attributable to a decrease in engineering costs and equipment purchases. General governmental expenditures are expected to stay relatively flat for the year ending June 30, 2023.

The 2023 operating budget includes various capital purchases which represents expenditures that the Town will incur for a new time keeping software and related equipment, security enhancements and replacement of equipment related to the sewer treatment system.

Conclusion

Council members Chad Domingue (Mayor Pro-Tem), Randy Anny, Wanda Bourgeois, Darnell Gilbert, Duane Humphrey join me in the goal of improving the quality of life for Sorrento's residents while preserving the heritage that makes our Town unique. All of us, along with the Town's employees, are here to serve you. We value your input and ideas to make Sorrento a better place both now and in the future for our children and grandchildren.

Sincerely,

Christopher Guidry
