

EDUCATIONAL PROGRAMS MENU

The Calico Rock Museum offers an amazing menu of educational programs for your students:

LIFE ON THE FRONTIER

Your students can experience life on the frontier through a variety activities of your choice: set up a settlement, trade with neighbors, have a campfire lunch, churn butter, make their own candles, make slate boards (one room schoolhouse), and much more.

BOOK BAG FASHION

Your student can make their fashion book bag and dye it their favorite color from a white t-shirt.

CANNON WARS

Your students get to design and shoot their own cannon (marshmallow shooter)!

OLD FASHIONED WRITING

Your students make their own paper and quill pen and learn calligraphy skills.

ARCHERY

Your students can make their own bow and arrow (this program requires ½ day).

PROJECT RUNWAY!

Your students will make an outfit out of trash and have their own runway show!

WESTWARD EXPANSION

Your students will learn about westward expansion and make their own wagon out of popsicle sticks.

LIFE AS A HOBO

Your students can develop communication skills by learning the Hobo language and how the communicated, treasure their possessions by making a bindle, and learn about survival skills.

MAKING MARBLES

Students will make, paint and bake their own marbles.

LIFE AS AN ARTIST

Your students can experience life as an artist through a variety of activities of your choice: painting, calligraphy, sculpting, wood carving (older students), and other artistic media.

DESIGN YOUR OWN

Don't see an idea that fits with your classroom? We can help you design your own program. You give us your ideas or lesson and we will work with our professional educators to develop a program that works for your classroom! Can't schedule time to come to the museum? We can bring our program to your classroom. The sky is the limit!
