- ◆ All projects were rated and ranked by the NWLA CoC Board Rating/Ranking Committee using the HUD issued Project Rating and Ranking Tool.
- ◆ Scoring was comprised of 13 elements including performance measures, determination of serving high-needs populations, and project effectiveness.
- ◆ Data input for rating was pulled from the 2019 Housing Inventory Count, HMIS Exit Destination Outcomes Report, HMIS Project APRs run for the 2018 calendar year, 2018 Data Completeness Report Card, Project Cost Effectiveness Calculations, and FY2019 HUD CoC Project Applications.

**Thank you to the Rating/Ranking Committee for their commitment to
transparency and data-based scoring.**
