Beach Safe Box

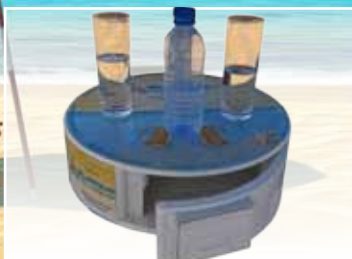

1. Beach Safe Box

Beach Safe Boxes are high quality safes where people can store their valuable belongings while they enjoy their time at the beach or pool.

Our Safe Boxes are patented, designed and manufactured in Italy, equipped with high quality German combination lock, ensuring people's personal items are stored safely.

With one minute installation time our Safe Boxes will provide better service for your clients and fast return on investment (ROI) through renting and advertising possibilities.

2. Beach Table

Our Beach Safe Boxes have ideal flat surface which can be used as Beach Table.

Made from anti-corrosion and UV resistance plastic material our Beach Table replaces the need for additional table.

3. Beach Advertising

Besides renting, Beach Safe Boxes provide additional advertising revenue to business owners. Their flat surface it's ideal for all kinds of banner ads.

It's a perfect opportunity for your partners, sponsors or Companies to advertise and get maximum exposure from thousands of beach visitors every day.

With no necessary maintenance costs or labor involved, our patented Beach Safe Boxes provide a stable source of daily revenue to any hotel or beach business owner.
