

GRANT WRITING TIPS

- ✓ Don't simply ask for something without explaining the benefit to your students
- ✓ Have an objective for the grant
- ✓ Be student centered
- ✓ Be outcome based
- ✓ Have an evaluation plan and include results of evaluation in the final report
- ✓ If your grant meets a special need, list it
- ✓ If you are using funds from several sources for your activity, list them
- ✓ If you are also using existing resources include that information
- ✓ Include your activities ~ be as specific as possible
- ✓ Include your projected timeline
