

FREE RABIES CLINIC

The December rabies clinic sponsored by the Waldo County Humane Society will be held on December 8, 2018 at the Burnham Municipal Building, 247 Horseback Road, from 9:00 to 11:00. Dr. Sarah Tomalty of Little River Veterinary Hospital will administer the shots.

Rabies shots are free to animal owners in Waldo County. Pets from other counties are welcome to come for shots for a fee of \$7.00. Donations will be gratefully accepted. Please bring all animals on leashes or in portable pet carriers. It is also important to bring proof of a previous rabies shot so your pet can receive a 3-year certificate.

In addition to the rabies shots, coupon discounts toward the cost of having pets spayed or neutered will be available. For information about the clinics call 862-5033 or 323-6308. The Waldo County Humane Society is also on Facebook.
