- Have recycling carts set out no later than 5:00am.
- Only what fits in the cart will be picked up and needs to be in a Mumford recycling cart only.
- The front side of the recycling cart needs to face the street.
- Clearance of 4 feet on all sides from other carts, buildings, parked cars, trees, mailbox, etc.
- Lids on the cart must be completely closed for the cart to be emptied.
- If stored outside, keep the lid of the cart securely closed to prevent recycling from blowing out of the cart and to keep rain and snow from accumulating inside the cart.
- Do not use rope or bungee straps to keep the lid closed.
- Each household is responsible for clearing snow and ice from around the carts.
- Carts cannot be placed on top of snowbank for collection.

Recycling is taken to the McLeod County recycling center, where it is sorted and distributed. The more we recycle the better for the environment and it can even reduce your garbage bill.

If you need a bin, please leave a message at the hall 763-658-4064, we will distribute them as we can get the carts.

Wright County's goal for Townships is to collect 35 pounds per household per month.

Snowplowing: it is illegal under Minnesota Statue §160.2715(a)(1) to push snow across a road.
