Presidential Cabinet:

Research the following about the Presidential Cabinet you have been assigned. Be prepared to present your project to the class using technology as a resource in your presentation:

- **History/Background (What is the Cabinet? What is its overall purpose?)**
- **Composition (Who are the Cabinet's present members? What Departments do they represent? How are selected?)**
- **Responsibilities (What are the main responsibilities of each department?)**
- **Biography of at least one Cabinet member (Who is this person? What does he/she want to accomplish? What are his/her qualifications?)**
- **Email your chosen Cabinet member with a request for information (Provide a copy to me before you send it)**
 - **Introduction, Describe project, Request information about his/her department. Ask questions (for example: What is your department doing about....?, What is the biggest challenge currently facing your department?, etc...)**
