Message from Jim Peet - Maintenance Group leader

I'd like to thank all the volunteers who are getting the range cleaned up and tightened up. It's an ongoing process and Tony Garcia and Dave longcor are leading the way on the pistol range and the wedge. Jim Shipley is looking after the rifle range and the fridge that is now stocked with water sodas and candy. These guys have got the Main Conex box cleaned up and nicely organized. The surrounding areas of the lower range are being addressed week by week. Charlie Freeland and Bob St. Amour have started clearing the brush along the road way entering the range. They will keep at it till they get it done. Bob.St.Amour, Chuck Stevens and Jim Peet finished the outside storage enclosure and is now ready for use. There is a lot more to do and if you would like to help please give Jim Peet a call (530-919-2230) and he will put you on the volunteer list.
