In 2012, UTEC finished the renovation and expansion of a beautiful 1839 church. After this ambitious project, UTEC became the oldest LEED Platinum Certified building in the country. We take pride in our “green features, from the solar panels on our roof to the local ingredients in our kitchen.

Say "I do" in our historic Main Hall

And then dance the night away

UTEC's beautiful and versatile Main Hall easily converts from casual to formal, and is ideal for both ceremonies and receptions, whether you have 50 guests or 300.

Need more space? Want more services? No problem

Make use of our additional indoor and outdoor spaces for everything from kids' activities to cocktail hour (while our staff transitions the Main Hall from ceremony to reception seating). View all that we offer when you tour UTEC, and imagine the possibilities for your own wedding.

Even our most basic packages include tables, chairs, set-up, break-down, and venue staffing. Allow us to take even more things off of your to-do list! With everything from AV services to linens on-site, you can customize your rental order to include all that you need, but nothing that you don't.

We cater, too

Make things easy (and delicious) and choose UTEC as your caterer. We offer diverse menu options and also customize offerings based on your needs and preferences. View our event catering menu at www.utec-events.org

Thank you for choosing

Facility rentals and catering orders help allow UTEC to sustain and grow its mission to ignite and nurture the ambition of our most disconnected young people to trade violence and poverty for social and economic success. By choosing UTEC, you help us to redefine futures and plant seeds of peace in our community.

Schedule your tour today. We'd love to show you around!

Please contact our Events team with any questions or to set up an appointment.
