HELP THE RETIRED TEACHERS'

The Marion County Retired Teachers are now soliciting financial help to restore a one-room schoolhouse that they have recently had moved to the Salem High School Campus. The school was moved before the extreme winter weather set in. It will take several thousand dollars to restore it and make a suitable setting for the furnishings that they have already been given. If you taught in a one-room school or attended one, will you not send a tax-free donation to:
