## STEAMPUNK ART

Saturday, JAN 28  
2:00 – 7:00 pm

Create a unique, eye-catching art piece with metal pieces and mixed media elements. You will get to work with faux rusting techniques, stencils, layering & painting.

Steampunk style is where the past meets the future. "Steam" is a nod to the Industrial Age of steam engine trains & large manufacturing. "Punk" is representing the new age future.

All materials are supplied. There will be tables full of unique pieces and parts available.

Create on a canvas or wood house!

Only 10 spots available. Register ASAP

**\$60/person**
