* Annual Fee Increases. Fees will be increased each year and the amount of such increase will be based on the percentage rate of increase for the immediately preceding 12-month period in the Consumer Price Index, All Urban Consumers, United States, All Items (1982 - 1984 = 100) ("CPI"), as published by the Bureau of Labor Statistics of the United States Department of Labor. This adjustment will take place on the anniversary date of the Agreement each year. The base for the adjustment will be the CPI figure last published by the U.S. Department of Labor prior to the adjustment date. For each succeeding year, the same procedure will be applied.

Unless otherwise stated, fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including, but not limited to, value-added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction (collectively, "Taxes"). Customer is responsible for paying all Taxes associated with fees paid hereunder. If EDULOG has the legal obligation to pay or collect Taxes for which Customer is responsible hereunder, the appropriate amount shall be invoiced to and paid by Customer, unless it provides EDULOG with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, EDULOG is solely responsible for Taxes assessable against it based on its income, property and employees.
