

VIRGO REVELATION 12 SIGN

COMET 67p CONJUNCTION

Prophetic Countdown to a 'Birthing' and Rapture

by Luis B. Vega

www.PostScripts.org for online PDF illustration in Chart section.

'A Great Sign appeared in Heaven: a Woman clothed with the Sun, with the Moon under her feet and a Crown of 12 stars on her head. She was pregnant and cried out in pain as she was about to give birth. Then another Sign appeared in Heaven: an enormous Red Dragon with 7 Heads and 10 Horns and 7 Crowns on its heads. Its tail swept a .33 part of the Stars out of the sky and flung them to the Earth. The Dragon stood in front of the Woman who was about to give birth, so that it might devour her Child the moment He was born. She gave birth to a Son, a male child, who "will rule all the nations with an iron scepter." And her Child was snatched up (Raptured) to GOD and to His Throne. The Woman fled into the wilderness to a place prepared for her by GOD, where she might be taken care of for 1,260 days.'

-Revelation 12:1-7 with emphases

Probably aside from the Blood Moon Tetrad phenomenon, the Revelation 12 Virgo sign will be the most significant and hyped celestial event in the Last Days aside from the flyby of Planet X. This study suggests that perhaps these signs are all one in the same that could converge on September 23, 2017 which by the way will be Rosh HaShanah. Another uncanny synchronization of this Virgo sign is that it occurs on the Fall Equinox. What is fascinating is that such celestial events keep occurring and/or are pegged to the Moedim or Feasts of YHVH as were the Blood Moons. The Revelation 12 Virgo sign seems to be a multifaceted array of encrypted prophecy, past, present and future.

Jesus did say that such celestial signs were to be taken into consideration concerning prophecy in the Last Days. This study seeks to emphasize what most who study this Virgo topic have missed an additional sign, aside from the 'birthing' of Jupiter. The Comet 67p will conjoin the Moon during the sign configuration. What is so spectacular aside from its '67 coefficient –as in '19-67' is that it was the comet where Humanity has first successfully landed a space probe on it while in flight. According to research, this comet was first observed on photographic plates in 1969 by Soviet astronomers *Klim Ivanovych Churyumov* and *Svetlana Ivanovna Gerasimenko*, after whom it was named.

The landing of a space probe on the comet, 67P/Churyumov - Gerasimenko (комета Чурюмова - Герасименко) was spearheaded by the European Space Agency ESA. The name of the project was called the *Rosetta Mission*. This Rosetta Mission proposed to land a Probe on the moving comet or asteroid in essence. This probe was launched on March 2, 2004. The Rosetta Probe made its rendezvous with the comet on August 6, 2014. The 67p comet according to Wikipedia is a Jupiter-family comet, originally from the *Kuiper Belt*. Interestingly, the probe entered the comet's orbit around September 11, 2014. The Rosetta Probe had a Lander called *Philae*. This Lander touched down on the comet's surface amazingly on November 12, 2014 (November 11 UTC).

The 'Birthing' of the Sons of the King

The comet will conjoin the Moon at Virgo's feet on September 23, 2017. As noted, what is amazing and unique about this comet is that it is also to be incorporated into the now infamous book of Revelation 12 Virgo sign in the heavens. Philae become the first spacecraft sent by humans from Earth to land on a comet's nucleus. Comet 67p has a rotation period of approximately 12.4 hours and a maximum velocity of 135,000 km/h or 84,000 mph. The mathematical calculus of such a landing demonstrates the ability of mankind to fulfill the divine directive of YHVH. It is for Humanity to master the dominion set forth by YHVH of the Earth and beyond. It is this comet that will be in conjunction with the Moon and will contribute to the astounding array of amazing prophetic and Biblical motifs that day. The Revelation 12 Virgo sign along with Jupiter being 'birthed', the Moon-Comet 67p in conjunction and the planetary alignment of Mars-Mercury-Venus will start on the Sabbath sundown for Jerusalem. If one is to look west from the Temple Mount, the Leo constellation will set first below the horizon.

Many believe this array of the stars in Leo plus the 3 aligned planets of Mars, Mercury and Venus constitutes the 12-star crown of Virgo. At the point of the sunset it might be possible to see the comet conjunction with the Moon at Virgo's feet as the constellation of Virgo also descends into the horizon. Perhaps the Comet 67p will also be noticeable or with the aid of a generic telescope at least. This celestial tapestry of the Virgo sign and imagery have to do with the subsequent contention of the center piece of the prophetic motif, the *Manchild*. This imagery corresponds astronomically to the planet Jupiter that is 'birthed' out of Virgo. On this Jewish New Year, the planet Jupiter which is the Planet of the King Messiah will have been 'birthed out of Virgo's 'womb first in the sequence of the prophetic motifs. This study suggests that the Comet 67p could be tied to the 50th year count from 1967. The following are some observations.

*The Virgo Revelation sign on **September 22/23, 2017** = Rosh HaShanah and Fall Equinox. 2017 = **50th** year since 1967 liberation of Jerusalem, City of the King. Jubilee Year? Comet **67p** alluding to **1967** accents the Revelation 12 Virgo Sign next to Moon in **5777**.*

*June 7, 1967 + 49 years x 360 day/year = 17640 days = Yom Kippur of **September 23, 2015** When the Jubilee is to have been proclaimed, as believed by some **5776**.*

To reiterate, many people do not realize that what makes this astronomical Virgo sign of such prophetic importance is the Star or Planet of the Messiah. The planet Jupiter was 'birthed' out of the 'womb' area of Virgo. On the Rosh HaShanah New Year of September 23, 2017, Jupiter will have been 'birthed' already for 13 days. This is amazing given the iconoclastic imagery of Revelation 12 that specifically infers to the Manchild that is birthed, the Messiah, or as Jupiter is the King of the planets. Then this 'corporal body' is Raptured before the Red Dragon can devour it. The 12-star crown composed in Leo does lend credence to that being a sign specific to Israel as Jerusalem's coat of arms is the Lion of Judah; the Messiah with the 12 stars constituting the 12 Tribes of Israel. However, its duality also prophetically suggests that they are Jesus' 12 Disciples and Virgo is as the Church that will birth and later 'rapture' the Church Age Saints as one Body of Christ -as it were. The following is the breakdown of one of the possible interpretations of the sequential order and prophetic typology.

A Gestation Period

The retrograde of Jupiter of 9 months occurs astronomically in the constellation of Virgo. This amazing coincidence leads up to the September 23, 2017 Virgo sign. Prophetically it alludes to the present 'Pentecostal' 7-fold Church Age based on the coefficient of 50. Interestingly, from 1967, the day Jerusalem and the Temple Mount were liberated to this sign will be the 50th year. It is the present Church Age where the Apostle Paul likened himself as a 'midwife' that labored until 'Christ be formed in you, the Hope of Glory'. In essence it is the work and labor of GOD the Holy Spirit doing the transformation in a Disciple of Jesus until the 'Manchild' is raptured-up.

A Contentious Opposition

During the process of the gestation or 'retrograde' of Jupiter, it could allude to a type of the wilderness journey from Egypt to the Promised Land. During the Exodus and throughout the conquest of the Promised Land and up to now, there has been nothing but contention from without and within. It is Lucifer that is the Accuser of the Brethren and seeks to prevail over the Church of Jesus but can't during this Age; he will be allowed during the Time of Jacob's Trouble. Throughout the Church Age, there has been nothing but tribulation as a refinement process allowed by the LORD to prepare the Bride through such trials and tribulations. This contention foremost is between Lucifer, the Anoint (Christ) Cherub and the true Christ, Jesus.

A Birthing Day

The end result of the labor is that of the Glorification; of new life. This 'new life' that comes about occurs in one day, thus a concrete 'birth-day'. This prophetic birthday event will perhaps coincide with the Glorification spoken by the Apostle Paul. This glorification birthday is the final 3rd stage of the comprehensive salvation plan of YHVH for Humanity. This will occur on the 'birth day' that will be consummated at the point of the Resurrection and Rapture of the Bride of Christ. As noted, the prophetic motif of the Manchild astronomically concerns the planet of the Messiah, Jupiter. The verbiage of Revelation 12 is very clear that it is specifically referencing that the Rapture occurs first before a 'devouring' of the Red Dragon is allowed and its ramifications will impact the Earth. Only the Messiah will return to rule with a scepter, etc. However the book of Romans teaches that those found in Jesus, will rise if they be found in Jesus, just as He rose from the dead and thereafter raptured to be glorified. Specifically, Jupiter is 'birthed' as it crosses the threshold of Virgo's 'womb' on September 9, 2017.

A Translation to the Tabernacle

As noted, based on the typology and sequence given in Revelation 12, the Virgo sign suggests that the Rapture or translation of the Manchild occurs before the judgment of the Great Dragon. This sequence thus could lend some credence in that the Resurrection and Rapture event occurring at a 'blink of an eye' will transpire before the judgement of Lucifer is executed. Lucifer after the initial Rapture will be forever thrust down to Earth never to have access to the Judicial Throne of YHVH to accuse the Brethren. It could be the case that the Rapture event is to happen just prior to the actual even. Jupiter is 'birthed' 13 days before the exact Virgo sign configures on the 23rd of September, that being the Jewish New Year. Could it be that there is a prophetic timeframe of a 13 numerical coefficient that signals the timing of the Resurrection and Rapture? If one subtracts 13 months from September 23, 2017, the end date will be August 23, 2016. However if one uses the prophetic 30 day/month count, then

30 day/month x 13x then x = 390 days

390 days – September 23, 2017 = September 1, 2016 eve of an Annular solar eclipse

This is not to say that the Resurrection and Rapture event will be on these dates but based on the prophetic pattern it could very well be one of the possibly timing among the many unknowns.

The Judgement Falls

The motif of the translation of the Manchild speaks to an escape from the harm and judgment of the coming Red Dragon's wrath. What this study also conjectures is that after the Resurrection and Rapture, the time of Lucifer's judgment commences. As noted, it will affect the Earth with its ramification of having the 'stars' fall to it. As the Manchild goes up, Lucifer comes down based on this typology and sequence. Thus the time of Tribulation is the time of judgment of the Red Dragon and for the inhabitants of the Earth. As the Bride of Christ or that of the Body of Christ is taken to the Tabernacle of YHVH in Haven, this is exactly the same prophetic language and sequence spoken by Isaiah 26:19-21.

'Your dead will live; Their corpses will rise. You who lie in the dust, awake and shout for joy, For your dew is as the dew of the dawn, And the earth will give birth to the departed spirits. Come, my people, enter into your rooms And close your doors behind you; Hide for a little while Until indignation runs its course. For behold, the LORD is about to come out from His place To punish the inhabitants of the earth for their iniquity; And the earth will reveal her bloodshed And will no longer cover her slain.'

The Pentecost Pattern

Tangibly, the liberation of the Temple Mount to include the old city of Jerusalem in 1967, to some occurred in Pentecost. This is based on alternative calendar counts. What is significant is that there appears to be a 50-year prophetic pattern. This occurs if one counts 50 years from the June 7, 1967 start date that to some is a prophetic countdown. During the June 7, 1967 recapture of Jerusalem and the Temple Mount by the Jews, there was another personal synchronization that prophetically accented this amazing day. It is well understood that Shlomo Goren, the Chief Rabbi for the IDF that blew the Shofar at the Western Wall was born in 1917. This was when a 'decree' was proclaimed by Belfour that the Jews were to have their homeland restored. That same year, Jerusalem was liberated by the British from the Muslim Turks. Amazingly, this Chief Rabbi was in his 50th year on that day in 1967. Of note, it will be 50 years from 1917 and the 50th year anniversary in 2017 (5777).

If one incorporates the 360 day/year coefficient, then the countdown from June 7, 1967 ends-up synchronizing to the lunar eclipse of September 16, 2016. This date is exactly 7 days or 1 week of a difference to the 23rd of September date in 2016. If one then uses this same 1-week template prior to the September 23, 2017 Virgo sign, then this 1-week pattern is also approximately what is depicted astronomically prior to the sign itself. If the same day of the year is subsequently a start point in the subsequent year of the Sign, it likewise becomes a 7-day or 1-week count-up to the Virgo sign in September 23, 2017. This being that it will take the Moon 7 days to traverse both Leo and Virgo to end up as the Great Sign of the book of Revelation 12. Moreover, this 7-day count-up can also be seen or considered as a 'Menorah' pattern.

A Pentecost-Menorah Pattern of Time

50 Years x **360** day/year = **18000** Days

June 7, 1967 + 18000 = September 16, 2016 (Lunar Eclipse - Penumbral)

Excluding end date

A Rapture and then the Red Dragon

What extenuates this 'Menorah pattern' hypothesis is the position of the Sun on September 16, 2017. The Sun will be exactly in the 'Day 4' or midpoint position astronomically of the prophetic count-up to where the Moon will end up as it travels across along the Ecliptic heading toward Virgo's feet and conjuring Comet 67p. Likewise, the Sun appears to begin on this New Year with the 1st constellation of the Mazzaroth Virgo as Leo is the end. On September 16, 2017, Mars will be in conjunction and eclipses Mercury. This conjunction will be in approximate phi ratio to the King Star of Leo, Regulus and the Moon. Astonishingly, Jupiter will be in approximate phi ratio to the Moon-Comet 67p conjunction and the Sun on September 23, 2017. The 7-day prior position of the Moon in front of Leo will also have Mars-Mercury-Venus in conjunction and in approximate phi ratio to each other. The other approximate phi ratio will be with the same conjunction of Mars-Mercury to Regulus and Venus.

At this point the prophetic depiction of the Revelation 12 Virgo sign also has a prominent 'immense or giant Red Dragon' that appears next to the Virgo and Jupiter according to the prophetic vision. The Revelation 12 Virgo sign contention comes from the 7-headed giant Red Dragon that stands in front of the Virgin as if to devour her Manchild. Some researchers into the End of Days conjecture that perhaps this Red Dragon is also a euphemism for the incoming Giant Red Dwarf many call Nemesis. Will this be the time when the imagery then translates astronomically to the eclipses the giant Red Giant 2nd sun, the 'Red Dragon' destroyer of worlds? Perhaps it will be seen in the heavens during this time as well as an added sign.

Thus the poetic rendition of the Red Dragon language used by the Apostle John to describe this 'other sign' will also translate into an astronomical occurrence. It could also perhaps be seen on the Jewish New Year of September 22/23, 2017 at sunset as Virgo sets above the Temple Mount looking towards the west. This Red Giant Dwarf mini solar system is said to have the 7 planets and as the solar winds of the Sun make it appear to have wings or horns of a dragon. The 7 planets will be seen as the 7 heads of this giant Red Dragon. It will be an ominous sign for Israel as hopefully the Body of Christ –that of the Manchild would have been already birthed and raptured away to the Throne of YHVH. Thus the prophetic sequence of the sign of the Manchild makes the great escape to the 'Chamber of YHVH'. Although such a sign speaks of the birth, rapture and escape of the Messiah, this day certainly will not be the day Jesus returns to Jerusalem.

Many opposed to the pre-Tribulation Rapture theory argue that the Church will not escape the Tribulation judgment. However, based on this prophetic imagery clearly tied to astronomical sequences, it would amount to Joseph, husband of Mary not heeding the warning by the Angel of the LORD to 'escape' to Egypt from the wrath the Dragon Lucifer. This 'devouring' through Herod was the contention against the Manchild of Mary, the Virgin as she gave birth. YHVH commanded a way of escape for the Messiah and subsequently all those found in Him concerning the Tribulation judgements and wrath that will befall the Earth and its inhabitants. This is stipulated as this 'snatching-up' depicts a rapture event or translation. To reiterate, this translation is directly associated to the planet Jupiter that was 'birthed' 13 days prior to the actual Virgo sign.

Now as to the timing of this coming Rapture and the flyby of Nemesis? If September 22/23, 2017 is when Nemesis will be seen by the naked-eye; that remains to be seen. Will that date be when Nemesis makes its official debut, undeniable to the world as every eye will see it? Perhaps. Will that time be the start of the Tribulation period in some way or be associated to it? However, consider that as divine signs go, the event such signs are inferring to may not actually occur until sometime in the future. Nonetheless, the sign of Virgo is ominous and prophetic that is heralding the coming end to a gestation period, a rapture translation, and a judgment. Thus based on this celestial tapestry, the snatching-away by force of the Manchild first before the judgment, at least sequentially it will occur before such a time.

Realize that the Revelation 12 Virgo sign occurs every year in September approximately with the Sun near the head region of Virgo's head and the Moon at or near her feet, anthropomorphically. However, at no such time has a planet as in this case Jupiter in particular has accompanied the astronomical configuration to appear to be 'birthed' in the same time frame. As noted, what is astonishing is that prior to Jupiter's 'birthing', the planet was in approximately a 9 month retrograde within the constellation of Virgo. Is this 'birthing' concerning the prophetic picture of the 'Manchild' a picture of the Rapture pattern to come? To reiterate, it is thereafter that the Great Red Dragon, Lucifer will be cast down as it were like falling stars with all his other Fallen Angelic hosts the Earth. This begins the subsequent judgments of the Tribulation of Daniel's last Week of Years.

This prophetic scenario gives hope of at least a pre-Wrath Rapture of the Bride of Christ. At best it had occurred prior to all this as Jupiter was 'birthed' prior to the Rosh HaShanah synchronization of September 23, 2017. It is as if the Creator YHVH purposed this particular cosmic sign to be accented by a comet no less to suggest that the beginning of a matter is about to see its end or conclusion, thus perhaps in 5777. According to a few people that have actually calculated the Revelation 12 sign of this specific Virgo configuration, it is the only time in about 7000 years; 6000 since Christ and 1000 after Christ that it occurs. This means that it is once in a lifetime event or better yet human event. Thus if one just takes the imagery in sequence, the prophetic motifs suggests a rapture will occur first.

This will be at the point of a 'birth-day', a harvest completed in the midst of impending judgment to befall on Earth This is likened to an 'escape' or catching away to the covering of the Tabernacle of YHVH in Heaven as foretold by Isaiah and John. Will this be pertaining to the coming Tribulation that constitutes the Time of Jacob's Trouble? Why? It is because as the Bride of Christ goes up, the Bride of YHVH, that being Israel go out to the wilderness. The coming judgement are for Israel and its time of refinement. It will also encompass the world, its False Prophet and the coming False King of Israel – that being the Biblical AntiChrist. If such a time is indeed the initiation of Daniel's last Week of Years prophecy concerning Israel, then it would be consistent in that the sign would be for Israel as that is what Israel demanded of Jesus.
