August 2020

Dear Parents,

Scobey Public Schools has developed a plan for school should the status of Covid-19 spread change in Daniels County. A copy of this plan is included with this letter.

Part of the plan is to divide the grades 3-12 student body and have students attend school in-person using a rotation schedule. The schedule will be based on a 2-week foundation schedule. There will be 2 groups following a two days each week in-person attendance at the school and two days each week distance learning via computer. Fridays will rotate between the designated groups.

Students in grade Kindergarten through 2nd will attend school every day as their small class numbers make this possible.

Attached is the calendar to be utilized in the case of school moving to “Yellow” Covid-19 status. The groups are color-coded for ease of use. Should we have to move to this schedule, just check the current date for who will be coming to school that day.

Your family has been designated for _____ Student Group.

If your family is designated to be in the A Student Group, you will come to school on days coded **Blue**.

If your family is designated to be in the B Student Group, you will come to school on days coded **Gold**.

Non-Student days are coded **Red**.

Days when scheduling has yet to be determined are coded **Green**.

If you have any questions, please call the school at 487-2202 for assistance.

Greg Hardy
