Registration Information:

Great News!!! Instead of trying to remember session dates and worrying if you could lose your spot in class, we have made it easier for you and gone to monthly billing. So many customers have asked us to do this and we listened. We are here to please you and this is going to be so easy. Most of your bills at home are monthly so we agree- let's do it monthly! Continuous enrollment is more inline with our philosophy that year round consistent training makes for better progress. By doing this we are able to provide the opportunity for smaller monthly payments, eliminate the hassle of reregistering every 10 weeks and ensure your child never loses their class spot.

HOW DOES IT WORK?

- check out our class schedule and call or email us to register
- we will help you find the class that best fits your child's needs (age group, skill level, goals, etc.)
- first time you register, you will pay the prorated cost of that month and after that, your card will be billed monthly with payment due on the 25th of the prior month (i.e. October's tuition is due September 25th) EXCEPTION: AUGUST AND SEPTEMBER GET BILLED TOGETHER.
- once you are registered, you will continue in the class. It's that easy. No re-registering, no wondering if your child has a spot in class.
- your child will constantly be evaluated to ensure they are in the proper class and if your child is ready to move up, we will let you know.
- every family is required to have a debit/credit card on file but you have the option to pay with cash or check prior to the 25th of the month.
- There is no contract. Wish to drop the class? Just send in a note (email is preferred) by the 15th of the prior month letting us know you wish to drop class. Failure to give us written notice by the 15th, you will be charged and therefore, enrolled in upcoming month.
- tuition is budgeted on a 48 week year allowing for holidays and time off for families as well as our coaching staff. You do not get charged more for longer months nor do you get charged less for shorter months. Over a year, all 12 months average 4 classes/month or 48 classes per year minimum.
- Annual membership fee is due every August/(re)entry into program \$30/student or \$50/family. Membership fee gets you membership rates on camps, clinics and open gyms.

Class Policies:

- 1 make up per month allowed and must be scheduled
- We will still be flexible and try to keep up with your schedules by allowing you to switch class days from month to month as long as there is space in the class. If you find you need to find another day that better fits your schedule, give us a call and we will do what we can for you.

- Clean shoes, trampoline shoes, socks, or grippy socks are required for tumbling and trampoline classes (please walk in with different shoes and change once in lobby.) Socks or trampoline shoes must be worn on all trampoline surfaces- no bare feet.
- Dress Code for Classes: leotards, tight fitting tshirts/tank tops, shorts with no buttons, snaps or zippers. Midriff must be covered. Boys must wear shirts. No jewelry. Hair up out of face.
- Please bring your own water bottles. We do not have a water fountain. We do sell water for \$1/bottle.
- Feel free to talk with coaches regarding progress of your child's tumbling skills. We are happy to set up meetings in person or over the phone with your child's coach.
- No refunds. Credit may be given for prolonged injuries with a signed doctor's note.
- \$20 charge for all NSF checks or declined credit/debit cards
- sibling discounts available; 20% off lowest priced class
- August 21 - end of October....50% off of 2nd class (same student). Tumble 2x a week for faster progress!!!
- for list of days gym will be closed for holidays, please see website
