Dr. Channing L. Moreland is a Licensed Professional Counselor, National Certified Counselor, and Chief Operating Officer at Sanant Counseling & Wellness LLC, a private mental health practice located in Pittsburgh, Pennsylvania. She is also the Founder and Lead Consultant at CLM Consulting, a consultancy firm that helps organizations cultivate inclusivity to increase customer and employee satisfaction and engagement via customized workshops, corporate trainings, and program design/evaluation services.

Dr. Moreland completed her Doctor of Education degree in leadership and administration at Point Park University, her master's degree in clinical mental health counseling, and her bachelor's degree in child development and family relations/sociology from Indiana University of Pennsylvania. For the past 15 years, her broad professional experience spans expertise in mental health and wellness, affordable housing, teaching adult learners, and cultural humility.

Dr. Moreland was the recipient of the 2022 Professional Women's Network Women Who Lead Award, the University of Pittsburgh Staff Excellence Award, the New Pittsburgh Courier Fab 40 Awardee, and the Community Living and Support Services (CLASS) Community Heroes Award. She is a published author and frequently invited speaker at local and national professional conferences and meetings.
