

Century Farms

The Sutter County Historical Society is collecting information about Century Farms in Sutter County. If you have a Century Farm or know of one, please contact Sarah Pryor or complete this form and mail it to her at the address below.

To qualify as a Century Farm, the farm must meet a number of criteria:

- The land must have been continuously owned within the same family for 100 or more years, i.e. at this time since 1914.
- The land must have been in agricultural production or under first improvement for 100 or more years.
- The present owner must be related to a person who originally owned the land. The line of ownership from the original settler or buyer may be through children, brothers, sisters, nephews, and/or nieces. Adopted children are recognized equally with blood children.
- The present owner or a member of the owner's family must actively manage the farm.
- The present farm must meet the current USDA definition of a farm: A farm includes all land under one management arrangement which has at least \$1,000 worth of agricultural production or sales or expenses, for production of agricultural products during the most recent calendar year.
- There is no minimum acreage requirement.
