## PRESIDENT'S MESSAGE

By Patrick D. Harris

### LONG TERM COMMITMENTS TO THE ANCHOR CLUB

In addition to paying their annual dues, many Richmond Navy League members support the Council by making donations to the Council's Anchor Club. These donations allow us to support our adopted ships and units, our youth programs and other initiatives. Under the leadership of former President, Ed Gibbons, this member donation practice was formalized with the creation of the Anchor Club in 1998. During that first year, 106 members joined the Anchor Club. Since that time the number of Anchor Donors has ranged from 106 donors in 2008 to a high of 139 donors in 2011. There are currently 128 donors to the Anchor Club.

The history of the donations, to the Anchor Club, demonstrates a continuing commitment of our members to

support the sea services. From 2008 to 2021, our members donated nearly \$180,000. Today, there are 23 Anchor Club members who began donating in 2008 and are still donating to the Anchor Club in 2022. At a minimum, these 23 members have donated \$32,200 to the anchor Club. Though the minimum donation to the Anchor Club is \$100, many of the Anchor Club members donate more than \$100. The 23 members who have donated to the Anchor Club since 2008 are: Frank J. Carlomagno, Thomas P. Cook, Sr., George L. Feitig, Jr., Edward S. Gibbons, L. Michael Gracik, Jr. Thomas T. Hassell, Jr., RADM John G. Hekman, William E. Jeffress, Dwight E. Kibler, Roy M. Martin, Earl A. McKnight, Col Morton C. Mumma III, Robert O. Oakes. John R. Oconnor, Carl H. Otto, R. Milton Owen, CDR William H. Poarch, Charles W. Rayfield, Brutus C. Russell, Jr., Donald M. Schwartz, Richard H. Shaia, Jr., Thomas H. Thornton, Sr. and Walter D. Tucker. ✍

## CHAPLAIN'S CORNER

Chaplain John A. Harler, M.D.

### A THANKFUL NATION –

President George Washington was the first to proclaim a National Day of Thanksgiving, designating Thursday, November 26, 1789 *“for the People of the United States a day of public thanksgiving.”* But, it wasn't until November 28, 1861, that President Abraham Lincoln declared Thanksgiving a national holiday, on the last Thursday in November, as he spoke these words:

*It has seemed to me fit and proper that they should be solemnly, reverently, and gratefully acknowledged as with one heart and one voice by the whole American People. I do therefore invite my fellow citizens...to set apart and observe the last Thursday of November next as a day of thanksgiving and praise to our beneficent Father*

### WELCOME ABOARD !

The Richmond Council Navy League is proud to welcome you as a member. In the weeks ahead, when you attend one of our Navy League events, please let the person at the registration desk know that you are a new member attending your first function.

### NEW MEMBERS

Willie J. Barton, Jr.  
James R. Person, Jr.

*who dwelleth in the heavens.*

Let us take heart from the noble example of our first and sixteenth Presidents, who in the wake of our War for Independence and the middle of our Civil War, respectively prescribed a Day of Thanksgiving to recognize and give thanks to Almighty God for our bountiful harvests and abundant freedoms.

As we reflect on the present state of our Union, we are indeed facing trials that we have never experienced before as war rages in Ukraine with the threat of a nuclear war, inflation rising, and our society being divided, let us pause this Thanksgiving Day to give thanks for our freedom and seek God's guidance and direction and blessing on our land.

In 2 Chronicles 7:14, the Lord makes the following promises:

*If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*

Notice that these three promises follow us doing three things. Lord, help us to do what you ask, Amen! ✍

## SEA SERVICES LUNCHEON

Council's Sea Service Luncheon was held at Willow Oaks Country Club on 10/12/22. We were honored to have the Color Guard and string quartet from James River High School on our program. In the traditional cake cutting ceremony, LCDR Eric Wynn (CO of Navy Reserve Center Richmond) is assisted by Vicki Powell, Chief of Staff of U.S. Naval Sea Cadet Corps making the "first cut", as Guest Speaker, RADM Andy Lennon, looks on. 🇺🇸

## AMERICA DIVISION SEA CADETS WITH THE CHESTERFIELD COUNTY POLICE TRAINING DEPARTMENT - OCTOBER 15-16

Sea Cadets receive vigorous training in self-defense.

"Hands-on" drone training.

Richmond Navy Sea Cadet Corps is accepting applications for about ten cadets. If your 10–17-year-old is looking for an amazing journey focused on leadership and fun, then this is the organization for your child. We are supported by the U.S. Navy and the Richmond Council Navy League. This is a leadership program NOT a disciplinary program. The initial expense is \$175 for uniforms then a small fee annually. The Sea Cadet Corp has training opportunities all over the country and internationally, our drill is one weekend a month, generally from 7:30 AM to 4 PM (both Saturday and Sunday) and we try to work around your child's sports. This year we are working on STEM by building drones from SCRATCH. This includes basic physics and electronics. Our unit, AMERICA Division, is one of the top units in the country!

For more information or to apply, go to [www.seacadets.org/join](http://www.seacadets.org/join) or [www.americadivision.com](http://www.americadivision.com) or email [americadivisionreceuiting@gmail.com](mailto:americadivisionreceuiting@gmail.com) 🇺🇸

## MEET BRUCE THE CANNON

Bruce the Cannon is named after Bruce Motley, the Goochland High School Administrator for the MJROTC. The cannon is a replica of an 1812 Naval Cannon. It was made in Tennessee and all parts were made by a 3D printer. It was raining recently at their Friday home football games and to be on the safe side the cannon was NOT fired. If a misfire were to happen due to wet gun powder, safety issues could occur. 🇺🇸

**The Commanding Officer, LCDR Eric Z. Wynn, USN and full-time staff of Navy Reserve Center Richmond performed a military funeral Honors Ceremony for an active duty member in Charlottesville, VA, while shipmates from USS MITSCHER looked on. Navy Reserve Center Richmond performs these solemn ceremonial responsibilities at over 350 funerals annually.**

## A BIG THANK YOU !!

**USS WINSTON S. CHURCHILL (DDG-81)** is a 9,500-ton, 509-foot long, Aegis equipped Arleigh Burke-Class destroyer. It is the 31st Arleigh Burke Class destroyer to be built for the U.S. Navy and is capable of fighting air, surface, and subsurface battles simultaneously. The ship was built by Bath Iron Works in Bath, Maine. She was launched on April 17, 1999 and commissioned at her homeport of Norfolk, Virginia on March 10, 2001. Mrs. Janet Langhart Cohen, the ship's sponsor and wife of the then-Secretary of Defense William S. Cohen, commissioned the ship alongside Lady Mary Soames, the daughter of Sir Winston Churchill, and the ship's honorary sponsor from the United Kingdom. Uniquely, Churchill is the only U.S. Navy vessel to have a Foreign Naval Officer permanently assigned to the ship's company. The Navigator is, and has been since the ship's commissioning, a British Royal Navy Officer. It is also the only U.S. Naval vessel to fly a foreign ensign; the Royal Navy's White Ensign is flown as well as the Stars and Stripes. She is the 5th U.S. warship to be named in honor of an Englishman and the 16th warship to be named after a foreign national, she is the only one in active service today. 🇺🇸

## ADOPTED SHIPS UPDATE

(Note: these reports may be edited to fit space available)

**USS NORMANDY (CG-60)**  
**CO: CAPT Simon Charles McKeon**  
**XO: CDR Anthony T. Bryant**  
**CMC: CMDCM William Palmer**

**George L. Feitig, Jr., Liaison**

### September Update

**USS NORMANDY** started the month of September by diving headfirst into tactical development training. **NORMANDY** was underway as part of the Gerald R. Ford Carrier Strike Group conducting SWATT exercises to increase lethality, ensure combat readiness, and promote tactical innovation. SWATT, led by Naval Surface and Mine Warfighting Development Center (SMWDC), is designed to increase warfighting proficiency, lethality, and interoperability of participating units. While out at sea, **NORMANDY** conducted SWATT exercises alongside **USS MCFaul**, **USS James E. Williams** and **USS Ramage**. These exercises encompassed stressing all our critical mission areas: Air Missile Defense, Anti-Submarine Warfare, Surface Warfare and Electronic Warfare, as well as many more. These scenarios allowed us to further develop the tactical interoperability with our embarked "Spartans" of Helicopter Maritime Strike Squadron 70 (HSM 70).

Throughout this last month, **NORMANDY** has hit its stride and developed our deployment battle rhythm as we push forward towards our Task Force Exercise Phase with Gerald R. Ford Carrier Strike Group.

Even though the ship was conducting mission critical live-fire events and combat intensive war gaming, the entire crew took pause on September 11<sup>th</sup>. The crew took turns walking stairs in SCBA in remembrance of those first responders who were on the scene during that tragic day. During the ceremony, hosted by CAPT McKeon, the crew honored a moment of silence for those who came before and reflect on why we continue to serve our country

today. ✍

Very Respectfully,  
LTJG Maude Manzi, USN, ASWO

**USS CARTER HALL (LSD-50)**  
**CO: CDR Brad A. Fancher**  
**XO: CDR Steven E. Grey**  
**CMC: CMDCM Adam Singleton**

**Pat Robson, Liaison**

Greetings Richmond Navy League friends and supporters. It has been a busy few months for the **USS CARTER HALL**.

On our most recent Underway, we completed a RAS (Replenishment at Sea) with the USNS Medgar Evers during routine operations in the Atlantic. Such activities are one of the many things that the US Navy does better than any Navy in the world, and stands as a testimony to the hard work and dedication of sailors at every level. The ability to take on fuel while underway gives us the ability to remain operational for very long periods of time.

An underway replenishment (or UNREP), reminds us of how crucial teamwork and community is to all that we do. Every ship in the Navy functions best when part of a team, in which everyone knows their part and performs it with precision.

In the same way, the Richmond Navy League has been and remains an integral part of our success, through your ongoing support and encouragement. And isn't that what community is all about? Its about each entity supporting the others, so that together we can be far more successful than we would be alone. Your efforts along these lines remain a crucial part of our mission readiness, and the crew of **CARTER HALL** remains extremely grateful knowing that the RNL has our backs. ✍

Very respectfully,  
LTJG Jerry Ireland, CHC, USN, CDPAO

**Patrick D. Harris, Liaison**

Underway, shift colors! **GRAVELY** has officially left Marine Hydraulic International (MHI) and has successfully completed contractor sea trials. **GRAVELY** was at MHI for just shy of 100 days. The crew and maintenance team were able to make the repairs and upgrades that **GRAVELY** needed during her Incremental Selected Readiness Availability (ISRA.) She is now ready to conquer the seas again.

**GRAVELY** is now officially part of CSG2 (Carrier Strike Group 2) and DESRON 22 (Destroyer Squadron 22). Recently, **GRAVELY** had the opportunity to host Commander Carrier Strike Group TWO (CCSG2), RDML Marc Miguez. RDML Miguez and CSG2 team toured the ship and were able to meet **GRAVELY's** hard charging Sailors. At the conclusion of the tour, CCSG2 gave IT2 Jones, GSM2 Reyes, CSSN Achille, and SN Ndamase a shout-out for all the hard work that they have put forth and continue to put forth on **GRAVELY!**

**GRAVELY** is also in the middle of Chief (CPO) season. Throughout the season the CPO selectees are trained, mentored, and initiated into the CPO Mess as they step up into their role as leaders. **GRAVELY's** newest Chief selectees are BMC (Sel) Birch, OSC(Sel) Bryant, STGC(Sel) Burdette, ETC(Sel) Cassidy, DCC(Sel) Darden, YNC(Sel) Gross, DCC(Sel) Leblanc, OSC(Sel) Mosley, and EMC(Sel) Moulton. **GRAVELY** is excited and looking forward to pinning our newest Chief Petty Officers at the end of this month!

Thank you so much for the continuous support that you give us. We look forward to keeping you updated on **GRAVELY's** latest and greatest accomplishments out at sea! ✍
