Property Highlights

5 flex space condo units being sold as a package.

Most units are about half office and half warehouse.

All units have rear loading roll up grade level doors.

Parking is unassigned but more spaces than typical.

Unit sizes vary in size from 1,200 to 2,104 square feet.

Total square footage is about 7,464 square feet.

2 units are currently rented and the other 3 are being used by the seller but will be vacated prior to closing.

Mezzanine storage space in each unit but not included in total square footage.

Some units have kitchenette areas.

Very well maintained with newer paint and flooring in some units.

Though obtained from a reliable source, this information is not guaranteed.
