

*The Village of Richwood is planning a project to install a sidewalk along Veteran's Way and Grove Street from the Richwood Park Memorial to the existing North Union Elementary School sidewalk. Construction of this project is currently planned for summer of 2021.*

*In order to construct this project, 0.158 acres of a standard highway easement and 0.053 acre of temporary right-of-way will be required from Richwood Park*

*Due to the use of federal funds, the proposed transportation project is subject to the requirements of Section 4(f) of the Department of Transportation (DOT) Act of 1966, which affords protection to publicly-owned parks, recreation areas, and wildlife and waterfowl refuges. Richwood Park is recognized as a Section 4(f) property. Questions and/or comments regarding how this project affects Richwood Park must be submitted by December 15, 2019.
