Deeper Level of Preparation-heart emptied of useless, worldly things

Freedom from-vanity, fine foods, worldly entertainment

Distractions make prayer more difficult

Communion with Me goes deeper when the flesh melts away

Deny food to put your flesh into a subservient position

Simple clothes, find satisfaction in less and substandard

Do not crave perfection- you will be vexed in spirit, less of Him

Postpone need for order and beauty- In heaven all will be to your liking

Postpone compulsions and live more simply from day to day

Only thing standing will be your virtues and what you did for others out of pure love

Buy of Me fire-tried gold and leave the ashes behind.

## **December 3 WWII & Pride/Condemnation Teeter-Totter**

### **Events:**

Things are escalating and I am permitting it

There will be a time when I can no longer forestall the judgment. We are approaching that time.

No date- but things are beginning to come to a close

Syrians- Trojan horse for more terrorist cells

Very soon they will be called into action- forward movement toward the inevitable judgment on this nation. Do not be deceived or lulled into a false peace. The Time of Mercy is coming to a close.

### **Do:**

Forsake little things day by day and don't be caught in a loop of self-condemnation

Sacrifice built slowly step by step- Grace builds upon Grace

Heart riveted on My will- When you backslide repent and pray to conquer yourself

Don't obsess about anything- the more you Love Me, the more you will forsake the world

Do not get caught and embroiled in struggles, move with the Grace of the moment

No Religious spirit. If you are able to sacrifice more of the world- do not grow vain and proud- you simply have been given more Grace.

I am grateful and appreciative of the very little things you offer Me in love. Oh, I am so grateful.

Be vigilant and refuse to raise your head to judge others

Teeter totter Pride----Condemnation

There is NO condemnation for those who are in Me

Pray very hard for your nation and the world

## **December 6 The Turn Key Event Ground Zero**

### **Events:**

Nearing the finish line, stay on the straight and narrow.

Time is winding down and events are winding up.

The enemy is closing in on the nation of Israel.

Destruction of the Dome of the Rock.

Repercussions- the planners of the event will be shocked

Redemption draws nigh

Time of unsurpassed wailing and travail

Nations will crumble before your very eyes and all eyes will be on Jerusalem

No more time left for preparations- only prayer

The last drops of Mercy will fall from the Goblet of Hope- the very last drops

Those who have turned to me will be saved, some as going through the fire.

Brides will all be taken care of

I will take care of your children. They will turn to me one by one acknowledging and repenting of their sin  
All of Heaven eagerly awaits you- so much significance to the homecoming of the Bride  
Beginning of an Epoch, transition into the Millennium then eternity where all things are reconciled to Him forever.  
Soon cords to earth will be cut- your mind stunningly transformed and glorified.  
He can't wait.

your heart to act

**December 6 Prophetic Rapture Dream-The Coming Storm**

**Events:**

Won't see much on the news until it happens  
I will send you what you need to know.  
The whole world is one sewer of corruption before Him...  
There is no more time left.  
Science- only looking to conquer the unknown and control what should only be in His control.  
Time is up: The point of no return is on the horizon  
From Northeast vision of Jesus in a chariot- gather us up

**Do:**

Minister to whoever he sends us to and prepare our hearts before Him.  
Stay out of the news- I will send you what you need to know  
Islam will be proclaimed as the world religion 'world peace'- sign or beheading  
Coup in government- Islamic Candidates  
Prepare yourselves- prepare those you touch  
Do not fall into stressing about what you must do lest you miss the forest for the trees.  
Allow me to bring those before you to pray for, to help, to listen to, to counsel, to give  
Let everything proceed peacefully  
I want you prepared- not worn out.  
I want you connected to me always, not over-reached with a to do list that is beyond what I am asking.

Do not grow despondent or lazy or foolish with your time and resources  
Do what good you can and I will make up the difference merely from your heartfelt intentions  
Truly the time is coming upon us, My Bride. Wake up. Stay awake. Behold your Bridegroom cometh.

**December 12 Restoring Hope To Souls In Crisis**

**Events:**

Shock about to hit the nation  
Society about to fall apart at the seams- throw people into confusion and despair.  
Lose sense of identity, morality, sense of God  
The real chaos will hit after the rapture

**Do:**

Purity of Intention, Purity of thought, Purity in Action  
Convince people of their ultimate worth- His Blood

Comfort others- restore their sense of worth

My Brides, you have no idea what is waiting for you in heaven. Keep up the good work.

I'm coming soon- MY soon, Your soon, soon.

## **December 20 Preparation for War Hidden From Us, Jesus Reveals**

### **Events:**

There is a little time left, that is why you are not feeling the urgency.

Not a Rapture drill- more like packing it all up for the journey. Leaving it all in good order, well equipped, laid out, orderly.

We do have a little time but it is a very little time-make the best use of it.

### **Do:**

Offer the difficulties as a fast offering

Work hard to set up and finish off all that I have entrusted to you.

Shortness of time-move a little more swiftly in accomplishing all that is left

The news is bogus-when the heavy things go down, you will know strictly by observance

Do not let your guard down. Look out for sin-**be** ready to go into serious prayer when you are called.

He thanks us: extremely faithful and obedient in a timely way. So important to Him. Stopped many serious things from occurring as well as bringing many home to Him. I appreciate your watchfulness, diligence in caring for Clare, Ez & Carol

He knows things are more intense for us all right now, but it won't be much longer 'till we are delivered from this corrupted and dark world. In the meantime, know that I am highly pleased with you for your faithfulness, generosity to the poor. Great is your reward in heaven. Stay faithful. I STILL am coming soon.'

## **December 24 You Will Have Peace Amidst the Chaos**

### **Events:**

My Brides will all be prepared for what is coming

Not one of you who has followed and obeyed my instructions will be terror stricken like the rest of humanity

Especially in the U.S. because terror will strike out everywhere

The turn key event will incite the Moslems so horrifically that every cell will be out for blood.

I am coming to rescue you (but there will be an unknown interval of time)

I am preparing your hearts to love me more and more. Pouring fragrant Graces of Love for me into your hearts in preparation for My arrival.

I will keep you in peace when it all begins.

I am right behind you, you rear guard. No harm will overtake you, no disaster will come near your tent.

Truly, terror is coming to your world, but I will lift you on high, far from harm's way and you will exult in My presence.

### **Do:**

When the world goes into turmoil you will have peace. My Brides will all be prepared for what is coming.

There is so little time left- purifying your heart is the best thing you can be doing.

Stay in your homes (when disaster hits) if you must go out, do so anonymously. Lay low.

I am coming to rescue you, but until then keep a low profile, do good where you can.

Pray for the world, prepare your hearts for Me.

Sit and bask in the fragrant graces of love for Me in preparation for My arrival. Sit and bask in this fragrance, let it fill you to overflowing. The more the better.

I will keep you in peace when it all begins.

Do what you can to express to your families what is taking place- perhaps some will repent at the very last moment.

Stay out of the news-it is poison-rather come to Me for rhemas

Pray and My peace will penetrate the most fragile of souls- steadfast confidence, joy and expectation amidst world chaos.

Don't thrash about seeking relief here and there- you will find only confusion.

Rather, stay in an attitude of prayer, intercession and worship

Divine Mercy Chaplet- powerful in times of crisis and will cause a certain peace to descend into your home.

Do not let relatives draw you into their panic- e-mail is best.

Say Psalm 91 over and over-so much Truth and Grace with the prayerful meditation and recitation of this Psalm

Go now and do good in the time left to you.

## **December 24 Christmas Eve**

### **Events:**

Precede Rapture-horrendous trial upon the earth.

It will not come nigh your dwelling, but the terror and confusion all over the world will be inescapable.

My sorrow and mourning for the lost- this will hang heavy upon the earth, like a thick, dark mantle of agony

Torments souls descend into hell

My Bride will behold the consequences of what has been done to ravage the earth

Then she shall accompany Me into Glory, where every tear will be blotted out.

Where we will celebrate her homecoming.

Before that moment, I must suffer My passion all over again.

Hour of Mercy has vanished, swallowed up in Judgment.

This is at the time of vindication. It is at hand. No longer will they say 'Where is your God?' No, rather, 'This is your God?

The Mighty and the Powerful One? No wonder you love Him! Yet, they will not understand My Love'

### **Do:**

Do not despair. You've been strengthened. Stand strong! This is your time of vindication. It is at hand.

Be prepared. Be strengthened. It is coming.

## **January 8 Invasion, Underground Cities, Prayer Defeats the Enemy**

### **Events:**

Planes invade from the North.

Earth crust shifting- killing the elite and creatures

Death of millions, hell expands, volcanic activity-part of the destruction underground.

### **Do:**

Your prayers are very powerful- very, very powerful.

Repentance and prayer- will lift off some of the judgments planned

Pray that He will show mercy and intercept devices of wickedness for those left behind

Prayer of Repentance

Pray against bitterness and cursing by those left behind

Pray for a wave of repentance and that they will seek God for guidance

Prayer and obedience will gain the victory

Pray, Repent for the nation, listen for His instructions and obey.

Rely on Him and not one's self

Pray against the horrors planned for the innocent, for the destruction of governmental infrastructure, Pray for enemies and the unsaved

## **January 15 Doors of Mercy Are Closing, On God's clock Only Seconds Left**

### **Events:**

Time is up. The horrible reality is upon us.

Utter devastation to the cities of the world.

One by One they will fall, beginning in the East and coming across Europe to the US

Time of Mercy has come to an end.

On My eternal clock, there are only seconds remaining.

### **Do:**

Stay in prayer and don't let anything carry you off

So important: Prayers, Fast Offerings, Repentance for the world

Do only the designated tasks I have set before you

Pray for Much Mercy before the door has completely been sealed shut

Rally yourself and finish what I have given you to do

Pray the Mercy Chaplet, make fast offerings and seek the Lord with all your heart

Focus in prayer on those who will die

## **January 18 We Are Drawing Closer and Closer to the End**

### **Events:**

People are numb to the feeling 'something is coming'

It is surely here and at the door

Those who have been listening to Me and following My instructions will be secure with the storm hits.

It will hit hard- confusion will be everywhere except in the government.

Some Americans will move into place- they are ready.

Some in key places are ready to frustrate the government take over

Things will not go as planned.

Earth changes will surprise and frustrate many (plans)

I will intervene

Cracks seen in a vision-sovereignty of each nations must be destroyed for the Beast to rise and take control- meld the world into one nation.

The Lord will eventually topple this government.

### **Do:**

Draw closer and closer to Me- I am going to be your ONLY stability

The more you cleave to Me, the safer, more secure, prepared you will be

Do not drift- cling tighter as the waves grow choppy

It is essential, even today, that all of you keep your eyes, minds and hearts riveted on Me-that even when the Earth and all its people begin to crack, you will stand strong.

## **January 20 Tinkling Northern Lights & The Coming Conflagration**

### **Events:**

I understand well the tensions of this time and how little is being spoken about the looming events.

Even that I have orchestrated.

Many will be totally taken off guard and surprised, but I will be there to catch them and reassure them of my Love and protection.

Those who perish in these events will not even know what hit them. One moment they are on Earth struggling through their days, the next moment caught up with Me in the clouds.

All is prepared and awaiting the trumpet blast...but much havoc will proceed the time of your great catching up.

Those living at ground zero- My breath will surround and sustain you (no awareness of pain or death)

For those who are not at ground zero, do not allow yourselves to be terrorized by events in other regions, for I will catch you up into My waiting arms lest you experience the torments...weapons of mass destruction.

Comets- purpose is to purify the earth.

Millennium- will give men another chance

When? Soon, My Beloved, very, very soon.

I have made known to you, you will not be caught in these tempestuous events from the east.

I will deliver you and set you on high long before that moment comes for your region.

Things will happen simultaneously: nuclear war, holocaust, unprecedented natural disasters

Miami will be the tip of the iceberg

Reason Clare and we feel disconnected: 'I have put a wedge of protection in your heart... lest you see, feel and crumble.'

But I will assure you of this- 'it will happen very quickly'

One can prepare and take measures for the body, but the impact on souls will be horrendous and without remedy.

Nonetheless, My Mercy will be afoot and will not fail those who call out to Me.

Choice for the People of the Earth:

Many will shake their fists at Me and curse Me and My People...I will be as an acid rain falling on their beings.

Others will fall to their knees and beg Mercy...I shall be the great Eagle that tucks them under My wings of mercy

I will abandon no one who calls upon Me. No, not one soul shall perish who puts their trust in Me.

### **Do:**

I cannot emphasize enough the prayers that I want to go forth for the lost while there is yet time for them to repent

There is no preparation for this, My people, but prayer

Do not despair, keep your eyes on Me and the eastern horizon. I am coming for you, My people. I am coming.

Don't let the reports and prophecies of others confuse you. I have established you in the truth.

You know Me, trust Me alone and none other.

Do not go searching for prophecies in other places, but rest peacefully in what I have given you.

Your hope will not be disappointed.
