OUR VISION...

XC Thrilloogy Trail Series is a unique running series to the Kenosha and Racine area. We currently have five scheduled running / walking events, with one more pending, in 2015, that will either be on trails or on a cross country course.

We are able to customize your sponsorship to best fit your needs. If you would like to be title sponsors for the series or for an individual race, be included in our e-mails, listed on printed material or on our website, offer giveaways to our runners & walkers, promote a charity, or have an idea that would be perfect for you, then please contact us and we will work with you.
