MEETING MINUTES FROM APRIL

The River City Cruisers Car Club meeting was held at the city park on April 24, 2018 with 13 members present.

The meeting was called to order by President Doug Smith and in Lynn's absence, John Mead reported a balance of \$9148.00.

OLD BUSINESS

Lynn Mead handed out sponsor lists at the March meeting and she still has a few for those that were not at the meeting. There are several new businesses in town we need to contact. Josie Erfling read a letter she drafted to give to sponsors. The letter was very well written and gives the sponsor a background of the club and what we do to give back to the community (including trying to make the show an entire weekend event which will benefit the businesses). You can contact Josie to get a copy of the letter.

NEW BUSINESS

Doug Smith was asked if sponsors could put coupons on our website. We have included coupons in the goody bags but that means they either have to use the coupon that day or come back another day, so most of the coupons go unused. If they can put their coupons on our website, people can print them prior to the show and will more likely use them.

Josie reported that Jeff Todd will do the engraving again and will keep the cost the same as last year. She also talked to the company we order the medallions from and the cost for those will also remain the same. We will need to buy several glasses and trophy boards this year.

Suzie Frye has received 17 replies for the Saturday night cook-out already.

Bernadine Oetterer mentioned she needs 7 more t-shirts for the quilt.

Anyone who was interested went to Doug Smith's after the meeting to decide on the scholarship recipients.

Randy Frye mentioned it was nice to see so many people (of all ages) using the park tonight. It shows that donating to Park Pride is worth it.
