Agreement

This agreement is between Brinnon Shrimpfest (herein called "Shrimpfest") and the vendor listed on this Application (herein called "Vendor"). This Agreement allows Vendor to display, promote and sell approved products at 2020 Shrimpfest. Dates for the 2020 festival are May 23th and May 24th. Hours are Saturday 10AM-6PM and Sunday 10AM-6PM.

Booth Fee: Vendor agrees to pay the Vendor Booth Fee. Shrimpfest does not charge a commission on sales. The Booth Fee IS REFUNDED to the Vendor ONLY in the event that the application is rejected. If the Vendor is accepted and cancels for any reason, all fees are non-refundable. Vendor receives 1 vendor parking pass and parking in vendor area is first come. There are no guarantees you will be able to park close to your booth. We will begin sending vendor acceptance notifications around the 15th of each month beginning in January, 2010. We strongly advise that vendors submit their application early with list of product to be sold and photo of booth. **Please include the booth fee with your signed agreement.**

Notification: This is a non-juried, space available event for vendors (crafts or food). Vendors will need to include detailed information about the products they will be selling. This list should be detailed. Food vendors promoting shrimp, seafood, coastal, and northwest items will receive priority. We reserve the right to reject vendors that are not in-line with our theme and who have unsuitable products for our event. Vendors are accepted into Shrimpfest upon approval and if payment and insurance is received by the deadline. Vendors are notified of acceptance via email. (It is suggested that you authorize shrimpfest@hotmail.com to your accepted list of email addresses). It is imperative to include your email address when submitting the application.

Booth and Electrical: This is an outdoor event. Shrimpfest provides an assigned space only. Vendors should provide a canopy, tables, etc. for their space. Canopies, umbrellas or pop-ups must be safely anchored to the ground. Any vendor failing to sufficiently anchor their canopy to the ground will not be allowed to sell their products until it is removed or anchored. Power is available in a limited number of booths and can be purchased at a cost of \$40 per booth (single or double). The power will be grounded (GFCI). This for 1 (one) 20 Amp circuit only – the equivalent of 1 household plug. NO EXCEPTIONS! 30 amp or 50 amp service is available for a \$75 fee. **Additional power needs must be discussed with our board prior to acceptance at Shrimpfest.** Vendors who receive approval for electrical usage must provide their own 3 prong heavy duty extension cord in a length of 225'-250'. Inferior cords will not be allowed. No 'piggybacking' off other vendor's extension cords will be allowed. All power usage will be inspected by staff to ensure it conforms to our requirements. Personal generators are not allowed in your booth. **The vendor agrees to maintain their booth during the hours of Shrimpfest.
