

Dear Friends,

Greater Wenatchee Girls Softball Association, is a Non Profit Organization that strives each year in the excellence of teaching girls 5-16yrs of age in our valley, not only the fundamental of Fast Pitch Softball but also exposing them to the valuable life skills such as self discipline, self confidence, building relationships, and good sportsmanship.

This coming 2017 Seasons Celebrates our 18th season in the Valley.

Organizations like this run on much more than just some parent volunteers. We depend greatly on the community involvement and support of local business leaders to help cover the rising costs of our operating expenses which include updating equipment, player scholarships, uniforms, umpires and field maintenance for the Sterling Complex to ensure safe play.

Your decision to sponsor our program will promote awareness and goodwill for your business. You'll have a captive audience exposed to your marketing message on an ongoing basis throughout the season. We have a few different options for sponsorship that we would like to extend the offer for you to be part of what makes this organization great!
