Re: *Illegal Parking*

To All of Our Parents and Guardians:

I write to inform you that the local authorities met with the Administration of the School this week about parking around the School.

Effective immediately, any automobile that is illegally parked around the School will be either ticked or towed. Illegally parked means parked in area that does not permit parking, double parked, triple parked, *etc.*

The School and the authorities are extremely concerned about the safety of our children. Illegal parking causes undue hazardous conditions that are contrary to the goal of protecting our children.

We thank you in advance for your anticipated cooperation.

God Bless,
