RENTAL INFORMATION

Delivery: Most equipment may be picked up or delivered. Some rental items are delivery only items. Please call for delivery cost for your area. Standard delivery includes drop off at mutually agreed upon, convenient, ground level location such as a loading dock, garage or porch. Upon pick up, all items should be repackaged and stacked in the same location as delivery. If equipment is unavailable for pick up on the agreed date and time, an additional charge will be made.

LOSS OR DAMAGE: Customers are responsible for rental items from the time of delivery to the time of return. Please be sure all equipment is secured when not in use and protected from the weather. We do charge for missing or broken items. Damage waiver covers accidental damage due to normal use of equipment, it is not insurance. Damage waiver does not cover loss.

LINENS AND DISHES: For health and sanitary reasons, all rental items must be returned food free. All china, glassware, etc. should be cleaned and repackaged in the same containers in which they were received. Customers are responsible for damages to linens caused by burns, candle wax or mildew. Please shake off all crumbs and return in linen bags. Do not wash linens. Please return all skirting clips and hangers.

RESERVATIONS/ CANCELLATIONS: Most rental periods are for 1-3 days. Longer rental periods are available by quote. A 50% deposit is required to reserve rental items. Deposits are refundable up until 90 days prior to the event. All orders are completely non refundable 30 days prior to the event. All orders must be paid in full two weeks prior to the event. Rental charge is for time out whether the items are used or not. A quote / estimate is not a reservation. Items will not be reserved until a deposit is made.

Thank you for choosing Rentex for your event!
