

WISCONSIN GIANT PUMPKIN GROWERS

wisconsinpumpkingrowers.com

The WGPG started as a group of giant pumpkin growers in central Wisconsin in 1984.

We grew to become a non-profit organization with members across the entire state of Wisconsin, plus members from other states and other countries.

We're a social organization committed to growing giant fruits and vegetables in the Wisconsin area.

We strive to introduce and teach people the art, sport, and challenges involved in our quest.
