

VOLUNTEER OPPORTUNITY

TRAIL RIDE GUIDES

"I HAVE BEEN A VOLUNTEER WITH AHF FOR 8 YEARS AND I LOOK FORWARD TO WORKING WITH THESE HARDWORKING PEOPLE AND HORSES EACH WEEK. IT HAS BEEN A REWARDING EXPERIENCE."

A Horse's Friend Youth Program & Trail Riding

We are a unique non-profit program promoting positive values, increasing social competencies and teaching children respect through the use of horses and horseback riding.

We are in search of new and dedicated volunteers that will add to our growing

program. Program volunteers will be trained on site by a AHF staff member and are required to have basic horse instruction and knowledge. Volunteers will have the opportunity to work with 20 program horses with access to indoor/outdoor arenas and more than 275 acres of trails.

AHF has some new program opportunities in the planning stages and we think you will be a perfect fit to join our volunteer family!
