For continued good hygiene reasons I would ask that everybody continues to gel their hands on entering the building and also before receiving communion. You will no longer need to sit socially distanced, but I do urge you to think carefully about where you sit, and to respect other people if they wish to sit at a distance, by asking if it okay for you to sit near them.

The wearing of **face coverings** will no longer be mandatory but up to the individual to make their own decision. I would however remind you that our church building is relatively small.

We will **sing** but the **choir stalls** will **remain empty** because people face one another. **Communion** will continue to be in **one kind only** with **no** sharing of the common cup.
