KIWANIS MEETING OF February 10th, 2020

Ten members at the meeting were Maria, Anne, Ann, Ben, Dave, Emmet, Kirby, Pat, Bob F, and Gerry Germain.

We had a nice meal of cordon bleu sandwiches, mixed green salad (of course), French Fries and pecan pie (the first Monday of the week dessert, a week late).

Ann chose the song “We of Kiwanis” because, she said, we haven’t sung that song for a long time. Boy, was she right! After singing the first two lines we realized that we had forgotten the tune. Ann stopped the singing (with some arm waving effort) and asked Ben to lead us in a second attempt. With Ben’s singing leadership we made it through the song. Ann said our second song would be to recognize Valentine’s Day this week. So the song, of course, was Stodola Pumpa. A suggestion is that you give that special person a pumpa for Valentine’s Day.

Doug’s Boys Life joke of the week has been replaced by Anne’s Uber driver story of the week. This week she told us how she gave out some personal information, despite being warned to never do that. The result was that someone scammed her driver account and she lost \$68.

Anne also had a happy dollar to tell about her nephew who has been teaching for two years in China. He was able to leave after being quarantined in his apartment because of the coronavirus. Anne and her Uber vehicle met him at the airport.

Our program was an interesting slide show and narration about her life by our newest member, Dr. Kirby Crowley. Kirby had pictures of her high school years at Ashwaubenon where she participated in volleyball and softball and was an exchange student for a month in Germany. During her college years at Ohio State University she studied abroad in the UK. Her final schooling was at the Marquette Dental School where she graduated as a dentist in 2019. Kirby's pictures included extensive traveling with family and friends to many places in the United States. We now know some of the interesting things in Kirby's life as she starts her dental career. Your presentation was well done Kirby!

Anne has scheduled a variety of events and programs during the remainder of February and March:

February 17---an evening meeting at the Black & Tan with the Southwest High School Key Club to recognize the 25th anniversary of the formation of that club. Social time at 5:30 and dinner at 6:00 pm. No Kiwanis meeting at noon on this day.

February 24---John Gillespie, a founder of Rawhide, will be our speaker. John has been at our club several times in past years and always presents an interesting program.

March 2---a child life specialist from Bellin Hospital will tell us about her work.

March 9---a program about the Fox River cleanup.

March 16---a speaker from the Green Bay Water Department who will tell us about the quality of our water.

March 23---a presentation about the Exceptional Equestrian program for mental therapy.

March 30---our annual Walter Awards program for middle school students, with an evening dinner at the Black & Tan. Social at 5:30 and dinner at 6:00 pm. No Kiwanis meeting at noon on this day.

Anne Van Ess has done a great job of arranging for all of these programs. Thank you, Anne.
